Please drive safe and slow down when necessary, ensure driver does pre/post trip inspections, and slow down on any on/off ramps. Falcon Transportation LLC cares about ALL our drivers and carriers that we partner with

Please Sign and send back. Thank you for your business. Read Below for Terms of the Load.

General Terms of the Load

- All Falcon Transportation LLC loads require Bill of Lading (BOL)/proof of delivery(POD) once a load is completed. Please send a copy of the BOL's of the completed load to your Falcon Transportation LLC representative within 24 hours of delivery. All pages of BOL's are required for the carrier to be paid. **Failure to submit all pages of BOL's will result in a \$100 fine per page missing.** If any BOL's appear to be missing at the receiver the driver must have the receiver annotate which BOL's they are keeping and why. Please contact your Falcon Transportation LLC contact immediately regarding BOL issues BEFORE the driver leaves the facility. **Failure to send in copies of the BOL's within 10 days will result in a 10% charge. Failure to send in copies of BOL's within 90 days of delivery will result in the carrier not being paid for the load.**
- On time pickup and delivery must be met. For any delays, the carrier must notify your Falcon Transportation LLC Representative immediately at the provided contact info on the rate confirmation. Falcon Transportation LLC Representatives are available 24 hours on their cell phones (provided in the rate confirmation email). **If no notification of delays, a fine of up to \$250 may be imposed.** Any rescheduling, late, loss of sale fees accrued by Falcon Transportation LLC due to late pickup/delivery will be passed along to the carrier if no notification is sent to your Falcon Transportation LLC representative.
- It is the carriers responsibility to calculate their driver's hours of service. Drivers must arrive with enough time to pickup, transit, and deliver the load, on time, within federal regulations.
- Detention will be processed only with proof of drivers in/out times provided on the BOL's by the shipper/receiver and signed by the shipper/receiver, NOT the driver or dispatcher. Detention is not authorized on FCFS pickups/deliveries unless extreme cases arise or where layover may be considered. PRODUCE OR FRESH/FROZEN MEAT loads where the carrier is picking up at a produce/meat packing facility or delivering to a market will not have detention authorized unless layover is required. Detention policies vary by customer at Falcon Transportation LLC. For specific detention policies on this load please ask your Falcon Transportation LLC Representative.
- Carriers are not authorized to contact Falcon Transportation LLC's shippers or receivers directly. All scheduling, updates, ETA's, payment status' will need to be completed through Falcon Transportation LLC. **If the carrier contacts the shipper or receiver directly, the carrier will be subject to a \$500 fine.**
- All loads must be sealed properly. If a seal is not put on the trailer by the shipper do not leave the shipping facility and contact your Falcon Transportation LLC representative immediately for instruction. Under NO circumstance is the carrier authorized to break the seal unless first notified AND documented by your Falcon Transportation LLC Representative. **If any claims arise due to the carrier breaking a seal without authorization AND documentation, the carrier will be responsible for the charges.**
- Double brokering of Falcon Transportation LLC loads is prohibited. Double brokering will result in no payment for any/all loads taken by the double brokering company.
- Any shortages, overages, damages **MUST** be reported **IMMEDIATELY** for disposition. Failure to do so may result in fees/claims to the carrier for the product.
- Lumper fees may be paid for by Blue Diamond with an EFS check which has a fee of \$20 or the carrier may pay their own lumper and be reimbursed AT NO COST with a valid lumper receipt if the lumper receipt is received by Falcon Transportation from the carrier within forty-eight (48) hours. Handwritten receipts are not valid unless approved by a Blue Diamond representative in writing.
- Refrigerated loads will be run on continuous run only. This will be confirmed to driver by a follow up text message/email from your Falcon Transportation LLC Representative.
- The carrier agrees to the general terms of this rate agreement by signing and sending back this rate confirmation, confirming receipt by email, or by the carrier's truck completing the loading process. If there are any issues with this agreement please contact your Falcon Transportation LLC representative immediately before sending the truck to load as these terms will be in effect once the truck is loaded.

Broker does not, by any means, condone or expect the carrier hauling this freight to violate the federal hours of service guidelines or any rules set in place by the FMCSA

4. The 150,000-year figures will acknowledge the total of the correct designation, (size and grade) AND total amount.

After 1990, the average number of acres of cropland in the United States has declined by 10 million acres. The decrease is most pronounced in the Midwest, where the loss of cropland has been 15 million acres. The decrease is also pronounced in the South, where the loss of cropland has been 10 million acres. The decrease is least pronounced in the West, where the loss of cropland has been 5 million acres. The decrease in cropland is due to a number of factors, including the conversion of cropland to other uses, such as urban development, and the abandonment of cropland due to soil erosion and other factors.
