Note to Carrier

MUST ACCEPT TQL TRACKING/CANNOT DELIVER EARLY/FEES IF LATE

Carrier Requirements

- You must be C-TPAT compliant, or follow all the minimum-security requirements in place by the U.S. Customs and Border Protection
- For any cross border or international shipments, you must follow all the minimum-security requirements as stipulated by C-TPAT
- Driver must accept and maintain TQL's Carrier Dashboard/MacroPoint Tracking the entirety of the shipment.
- Driver(s) must arrive at the shipper with a full tank of fuel, well rested, fresh on hours
- Driver(s) will not stop before traveling 250 miles from origin, unless at final destination
- Driver(s) will not take the load home or make unauthorized stops of any kind
- Driver(s) may be required to execute an interchange agreement with Goodyear's 3rd party spotting company. If the driver is not able to comply with this, let TQL know prior to taking this shipment.
- Driver(s) must verify the trailer's security and safety devices are in good working condition prior to accepting load
- Driver(s) must notate "Shipper Load and Count" or "SL&C" along with trailer number and seal number, otherwise, the shipment will be deemed a live load
- Driver assist is required on all live unload deliveries
- Driver(s) must inspect the trailer at the beginning and end of each stop for signs of tampering, and any tampering must be documented by pictures and TQL must be notified immediately
- Driver is responsible for piece count on the delivery receipt, not the packing list
- Driver(s) must carefully inspect cargo and pallets before loading and unloading and all overages, shortages, or damages must be notated on the BOL and TQL must be notified immediately prior to departure

Trailer Requirements

- Trailer must be a clean, in sound physical condition, dry, food grade trailer- free of leaks, odors, holes, or damages with a documented maintenance program in place that complies with all applicable laws

- and manufacturer's specifications and such records will need to be available upon request
- Trailer must be 10 years or newer
- Trailer must be sealed followed the seal verification or VVTT process:
 - View seal and container locking mechanisms and ensure they are okay
 - Verify seal number against shipment documents for accuracy
 - Tug on seal to make sure it's affixed properly
 - Twist and turn the bolt seal to make sure its components do not unscrew, separate, or any part of the seal becomes loose
- Trailer must have appropriate locking mechanism on trailer/rear doors and brake lock which function normally throughout transit
- Trailer must be equipped with immobilization device which will be triggered when trailer is dropped (kingpin, landing gear lock, or brake line lock)
- Tractor must have an alarm system and truck doors and windows must be locked at all times, including during all stops and while in motion, except to comply with laws and regulations

Shipments Requirements

- Load cannot be left unattended. One driver is required to remain with the trailer and have line of sight to the trailer doors anytime the shipment is stopped
 - Product cannot be transferred or transloaded onto another truck
 - If team drivers are required, both drivers must confirm with account that they are hauling the load for the duration of the trip on the same phone call (hand off phone).
 - Unauthorized passengers are prohibited on this shipment and load details should not be discussed with anyone.
 - Exclusive use of the trailer is required, and the load cannot be run as a partial
 - Any stops or route deviations must be communicated and approved by TQL and driver(s) will back trailer against a wall or pole to prevent doors from being opened if a stop is necessary
 - During all stops, including the shipper and receiver, the engine must be turned off and keys removed from the ignition switch and truck cab and ignition keys must always be restricted to driver and secured from unauthorized use
 - All BOLs/PODs must be turned into TQL immediately upon delivery
 - In the event of a rejection of product, driver may need to redeliver free astray.
 - Late delivery may result in non-payment of freight charges, and special damages as a consequence of being late may apply. This includes, but is not limited to, freight charges for expedited shipments, packaging materials, additional labor charges, storage charges, spoiled product, loss of sale, the expense of any additional equipment, service, or alternate transportation arrangements that need to be utilized as a result of late delivery.
 - In the event of a breakdown or any delay that jeopardizes on time delivery, TQL may request that the carrier allow a repower of their trailer to avoid/mitigate damages.
-
- If drivers do not answer to confirm empty day of loading by 10:00am local the team reserves the right to begin recovering the load
 - Late and/or early delivery may result in non-payment of freight charges, and special damages as a consequence

of being late and/or early may apply. This includes, but is not limited to, freight charges for expedited shipments, packaging materials, additional labor charges, storage charges, spoiled product, loss of sale, the expense of any additional equipment, service, or alternate transportation arrangements that need to be utilized as a result of late and/or early delivery.
