Carrier confirms that it is acting under its own operating authority as an independent contractor. Carrier further acknowledges that it cannot double broker, move by rail or consolidate this shipment with any other freight. Carrier's violation of these confirmations shall result in its forfeiting the right to be paid for the transportation services contemplated by this Load Confirmation, not as a penalty, but as liquidated damages.

Travel directions provided by ATG, whether written or verbal, are for informational purposes only and cannot be relied on by Carrier. Carrier is solely responsible for establishing its own route.

Carrier specifically acknowledges the terms and conditions of this Load Confirmation, and confirms that the driver it has assigned to this trip has the appropriate hours of service to make the scheduled delivery within the legal requirements.

Carrier shall notify Customer through ATG of any real or perceived delays in meeting the scheduled date and times of this shipment.

Carrier must advise Broker if any instructions, requirements or specifications, whether written or verbal, cannot be legally completed - or if the avoidance of any fines, penalties or deductions, or the earning of bonuses, would either require or result in the violation of any laws or regulations, including hours of service.

Carrier acknowledges and specifically represents that the tractor will be hooked up to the trailer throughout the duration of the trip.

If a trailer seal is required by shipper, Carrier must properly affix the seal and note seal numbers on the bill of lading prior to departure. Seals cannot be broken without the prior written approval of ATG, failure to deliver to consignee with the seal intact will result in a claim for which Carrier will be solely responsible.

Carrier confirms that it has valid insurance coverage, without exclusions or conflicts with respect to this shipment, sufficient to cover the loss or damage of any commodities and cargo carried, with minimum coverage: \$1,000,000 auto liability; \$1,000,000 general liability coverage; and, \$100,000 cargo liability coverage. If Carrier's insurance policy contains a schedule of covered vehicles it will not transport any cargo using a vehicle that is not so listed; and these policies must be written by an insurance company having a Best's rating of "B+" VII or better and that is authorized to do business under the laws of the state(s) or province(s) in which Carrier provides the transportation and related services specified in this Load Confirmation. Carrier warrants that it will at no time allow their U.S. DOT Safety Rating become "Unsatisfactory". An Unsatisfactory Safety Rating shall be considered to be a material breach of the Agreement, and if Carrier's safety rating either becomes Unsatisfactory or if Carrier is issued a proposed Unsatisfactory safety rating, Carrier agrees to immediately cease its provision of services and shall notify Broker so that alternative services can be arranged.

Carrier is solely responsible to confirm that it may lawfully and safely operate its vehicle and its cargo over any road, highway, bridge, and overall route and that it is at all times in compliance with applicable hours of service regulations, and is solely responsible for any fines or penalties in violation thereof.

Carrier will indemnify, defend and hold harmless Broker, its affiliates and Customers (as intended third party beneficiaries) from any and against all losses arising out of or in connection with the transportation services provided under the Carrier Contract Agreement, including the loading, unloading, handling, transportation, possession, custody, use or maintenance of cargo or equipment or performance of the Agreement by Carrier or any representative of Carrier. It is the intent of the Parties that this provision be construed to provide indemnification to Broker, its affiliates and customers to the maximum extent permitted by law. If this provision is found in any way to be overbroad, it is the intent of the parties that this provision be enforced to the maximum extent permissible. Losses shall include suits, demands, costs and expenses of any nature whatsoever, including reasonable attorneys' and paralegals' fees and any other costs of defense, investigation and settlement, costs of containment, cleanup and remediation of spills, releases or other environmental contamination and costs of enforcement of indemnity obligations. By accepting this Load Confirmation and associated shipment, Carrier conclusively agrees to the rates set forth herein and that said rates are reasonable and compensatory.
