- 3. Independent Contractor. Carrier shall have sole and exclusive control over the manner in which Carrier performs the transportation service, and shall utilize such individuals as it may deem necessary in connection therewith, it being understood and agreed that such individuals shall be subject to discharge, discipline, and control solely and exclusively by Carrier. Carrier represents that it is entirely independent and that it is not substantially economically dependent upon ISG and there is no functional integration of the ISG's and the Carrier's respective operations. - 5. Cargo Liability. Carrier assumes liability as a common carrier for loss, damage to or destruction of the goods entrusted to it from the time the Carrier signs a bill of lading, or takes possession of the shipment (whichever occurs first) until proper delivery of the shipment is made and signed for by the receiver at destination. For shipments originating in Canada: Carrier assumes full liability as a common carrier for loss, damage or delay Amounts specified in legislation such as \$4.41 per kilogram computed on the total weight of the shipment or as set out in any bill of lading shall not be applicable to shipments governed by this carriage. Neither the shipper nor ISG shall be required to declare a value on the bill of lading or other carriage document. The Carrier shall be responsible for the full actual value of the load as a common carrier of goods. For shipments originating in the United States: (a) ISG and Carrier mutually and expressly agree in respect of intra-United States shipments or shipments from the United States to Canada that pursuant to 49 U.S.C. 14101(b), that the provisions of 49 U.S.C. 13101 et. seq. have no application to the provision of transportation services performed pursuant to this Agreement except to the extent that any such provisions, rights or remedies contained therein are specifically incorporated or enumerated herein; Provided that this waiver of application of the provisions of such Part does not apply to any cause shall be full actual value (measured by fair market value at destination) under the Carmack Amendment 49 USC 14706. No limitations of liability shall apply. (c) Carrier shall comply with 49 C.F.R. §370.1 et seq. and any amendments and/or any other applicable regulations adopted by the Federal Motor Carrier Safety Administration, U.S. Department of Transportation, or any applicable federal, state or provincial regulatory agency, for processing all loss and damage claims and salvage.
- Right of Set Off. ISG shall have the right to set off claims for loss, damage or delay, and claims for overcharge or duplicate payment, against freight or other charges owed to Carrier. Carrier shall have no lien for the retention of freight to secure payment of freight charges.
- 7. Non-Billing of Shipper/Consignee. Carrier agrees that it shall not bill the shipper/consignee or any third party directly nor shall it accept payment from any Shipper/Consignee or any third party for providing transportation under this Agreement. Carrier waives any tariff or legislated right to sue or pursue the Shipper/Consignee for amounts owing to it.
- 8. No Back Solicitation. Carrier shall not solicit or accept, divert, by-pass, back-solicit traffic from any shipper, consigner, consignee or customer of ISG where (1) the availability of such traffic first became known to Carrier as a result of ISG's efforts, or (2) where the traffic of the shipper, consignor, consignee or customer of the ISG was first tendered to the Carrier by ISG. If Carrier breaches this term and "back-solicits" ISG's customers, and obtains traffic from such a customer, ISG then is entitled, for a period of 12 months after the involved traffic first begins to move, to a commission from the Carrier of 35 percent of the gross transportation revenue received on the movement of the traffic. Additionally, in the event that ISG is successful in enforcing these rights, Carrier shall be liable for all costs and expenses incurred by ISG, including, but not limited to, reasonable attorneys' fees.

- 9. Workers Compensation. Carrier agrees to be exclusively responsible for the Worker's Compensation insurance of its employees and to warrant, indemnify and save harmless ISG against any claims or legal actions or decisions in this regard.

- 12. Sub-Contract Prohibition. Carrier specifically agrees that all freight tendered to it by ISG shall be transported on equipment operated only under the authority of Carrier, and that Carrier shall not in any manner sub-contract, broker, or in any other form arrange for the freight to be transported by a third party without the prior written consent of ISG.
- 13. Indemnification. Carrier shall at all times indemnify, defend and hold harmless ISG, its agents, customers and employees harmless from any and all claims including reasonable legal fees arising from the services provided hereunder including, without limitation, claims for personal injury, death and damage to property, clean-up costs from commodity spills and damage to the environment, or other acts asserted against ISG, its agents, customers and employees.
- 14. Delivery Receipt. Carrier shall obtain an acknowledgement of delivery for all shipments by notation on the bill of lading or delivery receipt, signed and dated by the consignee. The delivery receipt will be prima facie evidence of receipt of the goods in good order and condition, unless otherwise noted on the face of the delivery receipt. The Carrier will notify ISG of any exception noted on the delivery receipt within 2 hours and will furnish a legible copy of the written delivery receipt or bill of lading signed by the consignee as acceptance of the shipment and proof of delivery.
- 15. Conflict Between These Terms and Bill of Lading. To the extent any term or condition of such bill of lading or receipt conflicts in any way with any term or condition of this Agreement, this Agreement shall govern.
