Additional Rate Information

1. Unless otherwise approved by Schneider, the above rate includes all stop-off charges, fuel surcharges, loading, unloading, etc. This rate cannot be changed, modified, or supplemented by reference to any other rates, rules, classification, schedule, or tariff without Schneider's written permission.

2. Any accessorial not listed above (including, but not limited to, labor, detention, layover charges, etc.) must be pre-approved by Schneider; failure to obtain pre-approval will result in non-payment. Carrier must contact Schneider (do not call the customer) at 855 476 4786 with any Shipment related concerns.

5. Carrier shall not break the seal, partial the Shipment, or move the Shipment via rail without written consent from Schneider. This will result in non-payment, a claim and/or legal action per the terms of the Master Transportation Agreement.

6. Carrier will require the driver to scale Shipment prior to departing shipper. Carrier is responsible to ensure the Shipment is safe and of legal weight for transit.

7. If Carrier's cargo or automobile insurance policy contains a schedule of covered vehicles or equipment, Carrier will not transport this Shipment using a vehicle and/or equipment that is not listed as scheduled on Carrier's cargo insurance policy, and Carrier's cargo policy must not exclude from coverage any commodities or cargo transported in this Shipment.

8. If this Shipment involves travelling in the State of California, all equipment utilized by Carrier must meet California Air Resources Board Regulations including, without limitation, the Truck and Bus Rule. By accepting this tender, Carrier represents that it's equipment will comply with such requirements.
