Instructions

Refresco Ft Gibson - PEPSTMO: ===== DISPATCH COMMENT =====

*****Carrier and their driver agree to take full responsibility to inspect the load before leaving the shipper to make sure the product is strapped and/or secured properly to prevent damaged or shifted cargo. Please have the driver confirm that the paperwork received matches the provided load number and receiving address location on this rate confirmation; if anything differs please reach out to an Axle Logistics representative immediately.*****

*****Axle Logistics is not responsible and will not compensate for shifted product or restacking charges, as drivers are given an opportunity to inspect the load for proper securement before departing the shipper.*****

*****The seal must never be broken by anyone other than a PepsiCo approved employee from either the shipper or receiver. If the seal is broken, it can result in a full claim of the product and destruction at the cost of the carrier. If seal is broken by law enforcement, it must be documented and signed on the BOL and the officer should provide a new seal and provide the appropriate paperwork and authorization.*****

*****If all or part of a shipment is rejected by a receiver, the driver must wait on site until given instruction from an Axle Logistics representative. If there is a situation where the seal has already been broken by the receiver and then the driver is asked to leave the receiving facility, the driver must have the trailer resealed by a PepsiCo approved employee and notify an Axle Logistics representative in writing before they exit. Failure to have the trailer resealed in this event could result in a full claim of the load at the responsibility of the carrier.*****

***** To qualify for detention pay, driver is responsible to keep track of in and out time at shipper and/or receiver and must be utilizing the tracking option provided by Axle Logistics for the full duration of the shipment. Driver must be checked in by an employee at the shipper by or before the appointment time on the rate confirmation if one applies. Drivers waiting in line to check-in will not be counted on-time for pick up, only from the time they arrive to the gate.*****
