RECEIVED, subject to the classifications and tariffs in effect on the date of the issue of this Original Bill of Lading. The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier has received from the shipper (contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of bill of lading that the carrier of bill of lading shall be liable for the cargo and its contents to the shipper and to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth in (1) local, Southern, Western and Seaside Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification of bill of lading if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those accessible through the internet address (URL) listed below, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

READ HEALTH HAZARD WARNING BELOW

HEALTH HAZARD WARNING: Prolonged inhalation of silica particles contained in silica sand and other silica-containing materials can cause delayed lung injury including SILICOSIS, a progressive, disabling and sometimes fatal lung disease. IARC and NTP have determined that inhalation of crystalline and microcrystalline silica can cause lung cancer in humans. Do not use as a dry abrasive blasting agent. Laws require you to take precautions for the safety of your employees and others who have contact with airborne silica particles. Notify your employees. Seller disclaims liability for harmful health effects.
