## Rate Confirmation Agreement

- Rate shown includes any applicable fuel surcharges, pickup and delivery charges, loading and unloading, out of route, detention, storage, and/or all arbitrary charges etc. Deviation from these rates must be approved in writing and signed by both parties.
  - Carrier acknowledges that they are solely responsible for compliance with and to all HOS regulations, as well as all other FMCSA regulations.
  - Carrier agrees this shipment will not be re-brokered. If re-brokered, the initial carrier forfeits the right to collect charges and agrees AMX Logistics will pay charges directly to the underlying carrier only.
  - Drivers should call AMX Logistics for dispatch prior to arriving at the shipper's facility. A contact number for the driver and a 24-hour number must be provided for tracking purposes.
  - Any directions given to the driver is for informational purposes only.
  - Weight is estimated. Customer reserves the right to load up to 45,000lbs without providing prior notice or additional pay.
  - Check calls must be made daily by 10am EST or the carrier will be subject to a \$100 penalty fee per day.
  - Macropoint Tracking will be required on all loads unless waived in writing by AMX Logistics. Failure to enable Macropoint Tracking, and actively track until delivery, will result in fines up to \$500.
  - If pickup or delivery appointments are missed without prior email notification, the carrier will be subject to late delivery fines of \$100 per day. Additional late delivery charges assessed by the consignee will also be the responsibility of the carrier.
  - It is the responsibility of the driver to notify AMX 30 minutes in advance of going into detention and every half-half hour after the initial notification until detention has ended or detention requests will be denied.
  - Late arrival to either the shipper or consignee, or failure to notify prior to detention starting, will cause the carrier to be ineligible for detention charges. If applicable, the arrival and departure times must be stamped and/or written on the BOL/POD.
  - All refrigerated loads must run continuously unless otherwise stated. Individual load temperatures will be listed on the rate confirmation. If requested, a temperature log must be provided for validation.
  - Drivers are responsible for all load counts and must call AMX Logistics to notify of overages and/or shortages immediately.
  - No driver is authorized to break seals under any circumstances. Seals must only be broken by the consignee's personnel. Loads delivered without seals intact will result in fines and potential claims.
  - Any overages, shortages, and damages must be reported to AMX Logistics as soon as unloading is complete. No product will be disposed or donated without written consent of AMX Logistics.
  - Any authorized unloading charges will only be reimbursed with a valid unloading receipt. To receive reimbursement, all lumber receipts must be submitted to AMX Logistics within 48-hours of the delivery appointment. If the receipts are not submitted within the 48-hour timeframe, no reimbursement will be given to the carrier.
  - Proof of Delivery (POD) must be submitted to AMX Logistics within 24-hours of delivery. If POD is not submitted within 24-hours of delivery, a \$100 fine may be assessed.
  - Carrier representative submission, with acceptance and signature, indicates approval of all rates and the terms listed above, as well as those listed on the rate con below.
- **SEE PAGE 2 FOR DOCUMENT UPLOAD, INVOICING AND PAYMENT PROCESSING INFORMATION**
