Dispatch Notes:

In the event of a service failure, loss, or damage to cargo, a reduction in freight charges may be assessed. Drivers acting unprofessionally at shippers or consignees will be asked to leave property immediately and will be removed from Truxio carrier network. Safety violations or customer complaints WILL result in deduction of carrier pay. Carrier must send invoice, signed copy of this rate confirmation, and legible copy of the original signed freight bill for payment processing
 *** ALL DOCUMENTS SHOULD BE EMAILED TO INVOICE@TRUXIO.COM

RECEIVED, subject to the classifications and lawfully filed tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract), agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier or all or any of, said property over all or any portion of said route to destination and as to each party at any time interested in all or part of said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Monitored at all times the Hazardous Material is in transportation including storage incidental to transportation (\$172.604)

* Mark with an "X" to designate Hazardous Material as defined in the Department of Transportation Regulations governing the transportation of hazardous materials.

The use of this column is an optional method for identifying hazardous materials on bills of lading per section 172.201(a)(1)(iii) of Title, 49, code of Federal Regulations. Also, when shipping hazardous materials, the shipper's certification statement prescribed in Section 172.204(a) of the Federal Regulations must be indicated on the bill of lading, unless a specific exception from this requirement is provided in the Regulations for a particular material.

This is to certify that the herein-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
