Company specifically agrees that all freight tendered to it by Yellow Logistics Inc. shall be transported on equipment operated only under the authority of Company, and that Company (including owner-operators engaged by Company) shall not in any manner sub-contract, broker, or in any other form arrange for the freight to be transported by a third party without the prior written consent of Yellow Logistics Inc. In the event that Company breaches this provision, Yellow Logistics Inc. may in its sole discretion, pay the underlying Company directly, which payment will relieve Yellow Logistics Inc. of any and all payment obligations to Company with respect to such load.

Carrier agrees that it is the sole responsibility of Carrier to meet all pickup and delivery appointments scheduled on each shipment tendered to it while remaining compliant with all hours of service and other DOT regulations. All routing instructions noted on the load confirmation or provided by shippers are provided to the carrier for informational purposes only and have not been verified as legal truck routes. Carrier is solely responsible for the proper loading and securement of cargo. Carrier is solely responsible to ensure compliance with DOT and federal regulations.

Carrier certifies that it is in compliance with all requirements of the California Air Resources Board (CARB) that are applicable to the scope of Carrier's operations. Carrier shall be responsible for any fines imposed on Broker and/or shipper resulting from noncompliance.

No additional charges not listed on this document may be added by the carrier. Any additional charges must appear on a revised rate confirmation. Yellow Logistics Inc. does not issue fuel advances or payment advances under any circumstances. Load payments will only be made, and not sooner than load delivery and retrieval of required documents.

Detention occurs after two free hours of loading/unloading. Yellow Logistics will pay an hourly detention rate of \$35/hour after the initial two free hours. Approval for detention payment is contingent upon the following eligibility requirements: Carrier must arrive on-time as specified by this document. Yellow Logistics must be notified at least fifteen minutes prior to the start of detention time and informed of departure time within four hours. Carrier must provide proof of the on-time arrival and departure times notated by the facility within 24 hours of final delivery. Detention time will be capped at six hours.
