Carrier Requirements:

- FourKites tracking is a requirement. Tracking must be accepted prior to dispatching and must remain tracking throughout the duration of this load. Location updates are needed every hour. Failure to track with consistency constitutes a service failure on the load.
- In order to be eligible for any accessorial pay, the carrier must accept tracking and keep it active for the duration of the load. Failure to accept and maintain tracking for the duration of the load will result in the forfeiture of all TONU's, detention, and layover pay.
- Fourkites tracking must be accepted or you will not be dispatched. Trailers must be clean, dry, odor free, and hole free or they will be rejected and no TONU will be paid. By signing this you agree to TQL's accessorial policy.
- On drop trailer loads: Once notified that the trailer is unloaded and ready for removal; carrier has a 24-48hr time limit to remove trailer. After this period carrier runs this risk of having trailer towed from the receiver's property.
- Any expenses accrued during this process will be charged back to the carrier and will not be covered by TQL

- Driver(s) must arrive at the shipper with a full tank of fuel, well rested, fresh on hours

Detention/Layover Requirements (For All Picks and Drops)
