STANDARD TERMS AND CONDITIONS (Version 10/1/15):

NOTE : Some shippers / consignees have accessorial requirements or rates that differ from Spot Freight's standard requirements and rates. Those requirements and rates will be listed in the "Special Instructions" section on the rate confirmation and will supersede the standard requirements and rates below.

DIRECTIONS & REQUIREMENTS

Any directions given by Spot Freight, or its customers, whether orally or electronically are for information purposes only.

It is the carrier's sole responsibility to confirm that it may lawfully and safely operate its vehicle and contents over any road, highway, bridge, and/ or route. Carrier shall be solely responsible for any fines, penalties, or citations that may be levied as a result of operating its vehicle and contents in a way that may be in violation of any regulation, law, or ordinance. Carrier is responsible for compliance with all FMCSA rules and regulations, including but not limited to Hours of Service compliance. Carrier warrants the driver assigned to this shipment has sufficient hours available to complete the delivery and remain in compliance with the Hours of Service rules. In the event Spot Freight is erroneously listed as the "carrier" on the Bill of Lading, the Carrier agrees that Spot Freight's role is as a property broker only and despite any incorrect designation on the Bill of Lading, Carrier is, for all purposes, the "carrier".

STANDARD DRIVER RESPONSIBILITIES

1. By signing the Bill of Lading ("BOL") the driver agrees to be responsible for the condition and count of the load and the way it is loaded. If Driver is requested to count and verify the pallet count, piece count or condition of the product by shipper, the driver agrees to verify that such information on the BOL is correct.
2. Driver agrees to confirm that the information on the BOL (Pallet Count, Weight, Product, Shipper location(s) and Consignee Location(s)) matches the order information on the load confirmation sent to the carrier. In the event that the BOL does not match the rate confirmation, the driver / carrier agrees to notify Spot Freight at 866.971.7768 ext. 101 before leaving the shipper's facility. If Driver does not notify Spot Freight, then the Carrier agrees to pay all costs and expenses incurred by Spot Freight as a result of driver's failure to match information on the BOL to the order information on the load confirmation sent to the carrier.
3. Driver agrees to leave all sealed loads sealed until broken by the consignee or designated party.

If driver breaks seal without permission or does not put seal provided on the trailer, Carrier agrees to pay claimant for full value of the freight. Carrier is responsible for freight charges to return rejected product to reconsigned location specified by Spot Freight. Carrier will also be responsible for any consequential damages, production downtime or other claims related to broken seals, failure to seal load, late delivery or other service failures.

4. Driver agrees to call Spot Freight at 866.971.7768 ext. 101 immediately for any expected pickup or delivery delays, safety or claim issues.

STANDARD ACCESSORIAL POLICY

In order to be eligible for accessorial payment, all of the following requirements MUST be completed. Carrier agrees that failure to meet the requirements will result in a forfeiture of reimbursement/compensation. Accessorial rates may vary by shipment.

2. After 2 hours at the facility, Carrier must notify broker/company contact listed above that the truck is being held and detention is being requested.
3. Arrival and Departure times should be documented on the BOL/POD with the times signed or stamped by shipper/consignee. If shipper/consignee refuses to sign, then Spot Freight must be notified of in/out times upon actual arrival/departure. In such instances, ELD/GPS tracking may be accepted as proof of arrival/departure times and will need to be submitted within seven (7) days of delivery.
4. All requests for accessorials must be submitted within 12 hours of delivery. An accessorial request can be submitted either via www.red-trucks.com carrier portal by creating a new case within the shipment, or via our website at www.spotinc.com.
