### Rate Confirmation Agreement for Topo Logistics

- This document can be used as a substitute for an invoice. If there are objections to the terms stated they must be submitted within 24 hours after receipt.
- Topo Logistics must approve *all* accessorial terms and charges in advance and in writing. Topo Logistics does *not* pay detention on produce or similarly run shipments. A layover fee, however, may be paid at a rate of \$150 unless the load is shipping from a FCFS produce shipper. Unauthorized charges will not be paid.
- Any authorized unloading will only be reimbursed with a valid unloading receipt.
- EFS codes for lumber fees (LOADING/UNLOADING FEES) can be requested by calling or texting 423-205-3021. There may be a \$5.00 convenience fee charged for issuing EFS CODES that will not be reimbursed.
- Load tracking via TruckerTools is *mandatory* and if implemented properly will eliminate the need for daily check calls. Failure to comply with MacroPoint tracking *will* disqualify you from receiving any/all detention and may result in a rate reduction of \$150.00 per occurrence.
- If pickup or delivery times are missed without prior notification to Topo Logistics, carrier will be subject to penalty charges of \$100 per day. Additional late delivery charges assessed by the consignee may also apply.
- ALL DRIVERS MUST FOLLOW THE TEMPERATURE STATED ON THE BILLS OF LADING PROVIDED BY THE SHIPPER and run those temperatures continuously for the duration of the load. ANY QUESTIONS REGARDING TEMPERATURE MUST BE RESOLVED BEFORE LEAVING THE SHIPPER. To do so, please call 423-205-3021, Ext. 1. If driver or dispatcher prefers text then he may simply text 423-205-3021. If there are any temperature issues not resolved before leaving the shipper the carrier will be held responsible for any damage caused directly or indirectly by the temperature issue(s) to the shipment.
- Driver must pulp product before leaving the shipper.
- Driver is responsible for all load counts. If a driver is not granted access to the loading dock they must call the broker to notify immediately.

- If there are any issues—overage, shortage, damage or reject—with the product on the truck upon delivery, DO NOT LEAVE THE RECEIVER until driver or dispatcher has notified Topo Logistics, been issued a claim number by receiver, and has been released by receiver. Immediately after receiving the claim number from the receiver please provide the claim number to Topo Logistics to avoid delays in payment. FAILURE TO REPORT ALL OVERAGES, SHORTAGES, OR REJECTIONS PRIOR TO LEAVING FACILITY MAY RESULT IN CARRIER LIABILITY.
- Any directions given to the carrier are for informational purposes only.
- Carrier acknowledges that they are solely responsible for compliance with all applicable HOS regulations, as well as all other FMCSA regulations.
- No drivers are authorized to break seals under any circumstances. Seals must only be broken by the consignee's personnel. Loads delivered without the seals intact will result in fines and potential claims.
- Carrier agrees this shipment will not be re-brokered or said the carrier forfeits the right to collect charges and agrees Topo Logistics may pay charges directly to the underlying carrier to collect charges and agrees.
- THIS AGREEMENT IS SUBJECT TO THE TERMS OF THE BROKER/CARRIER AGREEMENT SIGNED BY THE CARRIER AND TOPO LOGISTICS. THIS AGREEMENT IS AN ADDENDUM TO THE BROKER/ CARRIER AGREEMENT.
- Carrier representative submission with acceptance and signature indicates approval of all rates and terms listed on rate confirmation.
