the Customer. Without limiting the foregoing, BROKER must receive notice from CARRIER at least sixty (60) minutes prior to the time when detention, per diem and/or demurrage would start to accrue. Approved detention will be paid in 30-minute increments, at a rate up to \$50.00 per hour, up to a maximum of six (6) hours unless otherwise stipulated above. When applicable, ITS will provide layover pay up to \$250.00. Time stamps from the facility on the signed bill-of-lading are required for review and approval. A rate reduction not to exceed \$500.00 may be applied if the motor carrier fails to communicate transportation delays and/or service failure. As a condition to payment, CARRIER shall provide BROKER with an invoice, a legible copy or photocopy of the bill of lading, receipt or other proof of delivery. All receipts for additional accessorial charges must be submitted within 48 hours of delivery. Failure to submit valid receipts within this time frame are subject to denial. Should the BROKER be notified of a claim for cargo loss/damage, facility damage, or equipment damage, the CARRIER agrees that the BROKER shall have the right to off-set an amount sufficient to cover such a claim and to deduct and/or withhold such amount from any payments due to CARRIER including, but not limited to, towing bills, storage charges, or claims for freight, loss, damage, or delay. Inspection and photographs of all Trailer sides must be taken by CARRIER, during both pre- and post- trips, and submitted to BROKER within the LOOP application or as otherwise dictated in writing by BROKER.
