**RPM BROKER CARRIER AGREEMENT; ADDITIONAL TERMS**

THIS LOAD CONFIRMATION CONSTITUTES AN ADDENDUM TO THE TERMS AND CONDITIONS OF THAT CERTAIN BROKER CARRIER AGREEMENT ("AGREEMENT") PREVIOUSLY EXECUTED BETWEEN OUR COMPANIES. EXCEPT AS OTHERWISE SET FORTH HEREIN, THE AGREEMENT IS HEREBY AFFIRMED AND RATIFIED BY THE PARTIES AND SHALL CONTINUE IN FULL FORCE AND EFFECT.

1. Unless RPM provides written notice herein that this term does not apply to this shipment, Carrier's motor vehicle equipment shall be dedicated to Broker's exclusive use while transporting freight tendered by Broker (RPM and affiliates) pursuant to this Load Confirmation and Carrier's Agreement with RPM. Carrier's violation of this exclusive use requirement shall result in Carrier's forfeiting its right to be paid for the transportation services contemplated by this Load Confirmation, not as penalty, but as liquidated damages.
2. Comcheck requests made outside of RPM's regular business hours may not be authorized. If carrier requires Comcheck advance, carrier must make arrangements with the RPM carrier representative during their normal business hours and/or upon booking this shipment.
3. This rate is contingent upon successful and on-time completion of all load terms as orally stipulated or written on this addendum and rate may be subject to reduction if carrier fails to complete any shipment terms and conditions. Rate may be reduced if load picks up or delivers after originally scheduled time and date. Carrier acknowledges that failure to complete any terms and conditions on this shipment may jeopardize or result in loss of future business opportunities with RPM and/or cancelation of the RPM carrier contract.
4. Accessorial charges (including but not limited to labor, detention, and/or layover charges) must be authorized and approved prior to or at time of occurrence. RPM will not provide any reimbursement of any non, prior-approved accessorial charges. Carrier shall ensure the bill of lading is notated either when handling is required or when detention occurs, that a lump sum receipt is provided when a lump sum is hired, and/or that both are included as supporting documents with the Carrier's invoice. All overage, shortage, and damage must be reported to RPM immediately, at time of occurrence, and noted on the bill of lading.
5. RPM's Customer requires that Carrier provide tracking updates, for this shipment, through RPM, around the following events via EDI, Macropoint, 4Kites, Turvo Driver or RPM Drive App  
(unless otherwise specified on this confirmation):

7. Pursuant to the RPM carrier contract, carrier will provide an amount of cargo insurance coverage sufficient to cover the loss or damage of any commodities and cargo carried. Carrier's cargo insurance policy must not exclude from coverage any commodities or cargo carried on this order. If carrier's cargo insurance policy contains a schedule of covered vehicles, carrier will not transport any cargo on this shipment using a vehicle that is not listed as a scheduled vehicle on carrier's cargo insurance policy.
