- *All trailers must have a working ICC bar in order to accept this load. Costco will not unload a trailer at the receiver if a trailer is not equipped with the proper ICC bar to secure the truck for unloading. Costco also will not unload any trailers with a lift gate..
- *Please be advised Costco Depots will not unload any Retailer Branded trucks/trailers such as Amazon, Walmart, Safeway or trailers with lift gates. These trailers will be rejected at delivery..
- *1) This load requires one of the following types of trailers,
- I.IF THIS IS A REFRIGERATED LOAD: We require a 53ft/ swing door refrigerated trailer that is clean, food grade, has no odors or holes in the floor, walls or ceiling and must have an air chute that is in good repair (air chute cannot have any rips, tears, or holes in it and must be properly installed to reefer unit and ceiling throughout the trailer).
- II.IF THIS IS A DRY LOAD: We require a 53ft/swing door dry van trailer that is clean, food grade, has no odors or holes in the floor, walls or ceiling. Carrier may use a refrigerated trailer on a dry load ONLY if they have prior written approval from Allen Lund Company.
- 2) The first three hours after scheduled appointments of detention are free. In the event the driver is detained beyond two hours after their appointment, carrier must notify us before detention is to begin so we can notify the customer or detention will not be approved. Authorized detention will be paid at \$25.00/hour. Detention is not to exceed \$150.00 per day during any consecutive 24 hour period. If driver is laid-over at pickup and/or delivery then \$150.00 layover will be paid but NOT in addition to \$150.00 of accrued detention on the same occurrence. Detention/Layover charges due to late or missed appointments will not be honored. In the event the driver is late for a scheduled appointment, then driver will be a "work in" and will not be approved for detention. Detention will not be compensated at any pickup or delivery that is FCFS.
- 3) This load is contracted as a full legal load but still requires a truck that can scale a minimum of 43,000 lbs. unless otherwise stated that it is required to haul more weight.
- 4) Driver is responsible for the following,
- I. IF THIS IS A REFRIGERATED LOAD: Driver must have the trailer precooled to the enroute temperature before product is loaded onto your trailer.
- II. Driver must count the product and verify product count on BOL before signing the BOL. (Any shortage will be deducted from the carriers freight invoice).
- III. Driver must verify condition of freight being loaded and report any pallets that are wet, leaning, crushing, and/or damaged before loading to protect your company against possible claims.
- IV. Driver must watch the freight being loaded to ensure the trailer is loaded properly and correctly to the driver's satisfaction.
- V. Driver must secure freight with at least two-three load locks once loaded to avoid shifting during transit.

- VI. If the driver is NOT allowed on the dock to count product and verify condition of product prior to it being loaded onto your trailer, then the driver must have the shipper write "Shipper load, count and seal" on the bill of lading, put a seal on the load with the seal number referenced on the bill of lading and then sign the bill of lading.
- VII. If these requirements cannot be met, carrier must contact us immediately regardless if it's after-hours to address/resolve any issues before leaving the shipper to avoid any potential claims associated with these instructions not being followed by the carrier/driver.
- 5) If there are any problems which would delay the truck to the pickup or cause the truck to be late for their delivery appt, carrier must call ALC Orlando immediately regardless if it's afterhours which is 888-785-5863.
- 6) Daily Check Calls are required. Failure to communicate a probable late delivery prior to the delivery appointment (no call/no show) for any reason including breakdowns may result in fines up to \$500.00 as imposed by the shipper and to be passed on through to the carrier. Documentation from a breakdown is required otherwise fines may still be incurred.
- 7) Carrier, by acceptance of this load, you are acknowledging that you agree and will follow the above requirements regardless if this rate confirmation is accepted, sent back to us signed or not signed
