**SPECIAL INSTRUCTIONS:**

\*\*\*\*\*Please be aware that all drivers will need to accept tracking via FourKites. They will need to download the app and allow tracking. .

\*As a transportation provider for PepsiCo, your partnership is necessary to ensure food safety and protect our consumers. PepsiCo wants to remind our carriers about their obligations to transport our food in a safe and sanitary manner.

You've probably heard that there are new requirements under the FDA Food Safety Modernization Act (FSMA) final rule on Sanitary Transportation of Human and Animal Food (21 CFR Part 1, Subpart O). Importantly, this new regulation applies for only some of the food transported for PepsiCo – specifically, food that requires temperature control for safety and food transported in bulk. There is a complete exemption for transportation of packaged food that does not require temperature control for safety.

For all carriers, even those who are exempt from the new regulations, we want to remind you of your obligations to convey the food in a safe and sanitary manner. In particular:

- There is a statutory prohibition on adulteration. Under the Federal Food, Drug, and Cosmetic Act (FFDCA), food is deemed to be adulterated for reasons that include if it:
  - Bears or contains any added poisonous or deleterious substance, which may render it injurious to health;
  - Consists in whole or in part of any filthy, putrid, or decomposed substance, or is otherwise unfit for food; or
  - Has been prepared, packed, or held under insanitary conditions whereby it may have been contaminated with filth, or whereby it may have been rendered injurious to health.

Introduction or delivery for introduction into interstate commerce of any adulterated food is a prohibited act under the FFDCA.

- The PepsiCo Master Agreement for Motor Carrier Transportation Services includes sanitation requirements to make sure food safety is maintained for all PepsiCo shipments. Specifically, the agreement provides:

- Motor vehicles must be of a type acceptable to PepsiCo, suitable for the transportation of the shipped goods, consist of clean, waterproof equipment capable of safely hauling cargo, and equipped with doors that can be sealed.
- Equipment must be clean, insect and rodent free, odor free and water tight, and uncontaminated by the prior use of equipment for transportation of toxic chemicals, including pesticides, rodenticides, insecticides and/or other hazardous materials; substances or chemicals.
- Trailers must not otherwise be used for transportation of any liquid or solid waste or garbage.
- The carrier must not commingle shipped goods with toxic chemicals, including pesticides, rodenticides, insecticides and/or any other hazardous materials, substances or chemicals.
- Vehicles and service must be maintained and operated in a manner satisfactory to PepsiCo and suitable for transportation of the shipped goods.

\*Special Instruction/Notes:

This customer requires all freight tracked via CarrierLink/FourKites. The driver MUST DOWNLOAD APP AND LOGIN for tracking!! If the driver does not comply

**ALLEN LUND RATE CONFIRMATION**

it will result in a deduction to the carrier's rate..

\*This shipment will require a seal on the trailer. The seal will be provided by the shipper and it is the drivers responsibility to make sure that the trailer is sealed prior to he or she leaving the shippers property. Please also be sure to have the driver verify the seal number that they are given matches the seal number printed on the BOL. The only time this seal should or can be broken prior to arrival at the consignee is upon a stop from the DOT and or the police department. If this does take place please be sure the BOL is notated and the trailer is resealed by either the DOT or police. Allen Lund needs to be made aware of this occurrence prior to your driver arriving at the consignee to avoid a possible rejection and or claim of the load. Under no other circumstance should this seal be broken or removed by anyone other than the consignee. Failure to comply to these guidelines will cause your trailer to be refused at time of delivery and also have the potential of your load be claimed in full..

**EMERGENCY CONTACT INFO:** For any urgent problems or issues, after regular business hours or over weekends, you may reach our After Hours Dispatcher at (800) 432-5863.

9. The carrier agrees that it will not double-broker the load or change the specified mode of transportation. If this agreement is breached and another carrier's MC# or name is on the tractor, trailer, or bill of lading, or if other facts convincingly show that another carrier transported the load, ALC will exercise its contractual right to pay the delivering carrier directly. Additionally, ALC reserves the right to charge the booking carrier up to \$5,000 for the time and resources ALC must spend in investigating the carrier-delivery or mode-of-transportation issue.
