CARRIER AGREES THAT THE SHIPPER AND CONSIGNEE ARE EACH A THIRD-PARTY BENEFICIARY OF THE AGREEMENT AND THE TERMS OF THIS LOAD CONFIRMATION.

- 1. Echo tenders this Load as a broker only and Carrier accepts this Load as the motor carrier responsible for its transportation. This Load Confirmation governs the rate for this Load as of the date specified and hereby amends and is incorporated by reference and becomes part of the Agreement. Carrier represents and warrants that it agrees to the rate herein, said mutually agreed upon rates are reasonable and compensatory, that the freight would not have been tendered to Carrier at higher rates, and that no shipments handled under such rates will subsequently be subject to a later claim of undercharges.

Carrier shall provide electronic tracking throughout transit of the Load. Carrier must immediately advise Echo if any delivery schedules, specifications, instructions, or requirements cannot be legally accomplished or if the avoidance of any fines, penalties or deductions would require or result in the violation of any laws or regulations. Carrier agrees to be CARB compliant when traveling to, from or through California and shall indemnify Echo and its customers from any loss or damage resulting from Carrier's failure to so comply.
- 3. Only the Carrier identified in this Load Confirmation is authorized to transport this shipment. Compensation may be withheld if this Load is double-brokered, moved by rail, consolidated with any other freight or if the agreed terms hereunder are not satisfied. Carrier agrees, and authorizes its factoring company, if any, to reimburse Echo for all amounts paid on this Load if it is transported by any carrier other than the Carrier identified herein. Carrier waives

all rights to payment from the shipper and/or consignee.

- 4. Carrier hereby confirms current and valid insurance coverage without exclusions in conflict with this Load, in amounts no less than the following: one million dollars (\$1,000,000) auto liability coverage, one million dollars (\$1,000,000) general liability coverage, \$100,000.00 cargo coverage, and workers compensation as required by law. Carrier further confirms that its cargo insurance covers the Item(s) listed below without exclusion.
- 5. Carrier confirms that the driver assigned to this load is licensed, qualified and has available hours of service sufficient to pick up, transport and deliver this Load as required hereunder. Driver is responsible for an accurate count of crates, pallets/skids, and pieces.
- 6. Trailer seals must be applied, with the seal number noted on the bill of lading, prior to departure from the shipper. A seal may not be broken with prior written approval from Echo management.
