SECURE TRANSPORT SOLUTIONS (HEREIN REFERRED TO AS "STS ") EXPECTATIONS FROM OUR CARRIER NETWORK :

- 1.COMMUNICATION: Carrier must provide STS with correct cell number of a driver. Carrier MUST call STS when loading, unloading and every . day before 10am, with current location and shipment status. No communication will result in a \$150.00 deduction.
- 2.MACROPOINT TRACKING: Carrier and Carrier's driver must ensure MacroPoint tracking is accepted by driver for any shipment noted as requiring MacroPoint tracking on Load Confirmation. Tracking must always maintain active tracking status at all times from arrival at Shipper until departure from final Consignee. Failure to comply will result in a \$150.00 deduction.
- 3. DETENTION: No detention will be authorized unless Carrier/Driver emails a broker on the load an hour prior to entering the detention period which is 3 hours after the scheduled appointment. First-Come-First Serve (FCFS) facilities are excluded from any detention. Detention starts to

I

900.00

apply 3 hours after scheduled pick up or delivery time. Arrival and departure times must be notated with an authorized Shipper signature or Consignee signature on the Bill of Lading (BOL.)

- 4.TONU: In the event of the shipment order being canceled, Truck Order Not Used (TONU) will be issued to the carrier only if the truck already arrived and checked in with a pickup number at the Shipper location at the time of cancelation.
- 5.ACCESSORIAL CHARGES: All detention and any other accessorial charges must be approved by STS within 24 hours of accessorial event occurring. Payment of any accessorial charges will only be issued if STS issues a revised STS Load Confirmation inclusive of additional charges.
- 6.PROOF OF DELIVERY: Each and every page of shipment paperwork is required for payment. Bill of Lading (BOL) must be signed or stamped by authorized Consignee personnel for it to be considered Proof of Delivery (POD). Carrier must submit paperwork within 24 hours of delivery. If paperwork is not received within 2 business days after delivery, it will result in a \$250.00 deduction. Please provide clear, legible copy of all POD pages.
- 7.DELAYS: Any delay must be reported immediately to STS by Carrier or driver. Failure to notify delays will result in rate reductions. Any delays, missed pickup and delivery appointments may resulting in a deduction fine in unspecified amount which may vary from customer to customer.
- 8.WEIGHT: Any quoted weight is subject to change. STS has the right to change weight up to the DOT legal weight limit. STS is paying for sole use of a trailer. Carrier must report any overage, shortages, damaged products and any other irregularities immediately to STS. Driver must scale the freight before getting in route for delivery, to make sure the weight is within DOT legal weight limits.
- 9.LUMPERS: Carrier assumes any lumper charges and will be reimbursed with a copy of the receipt, which should be emailed, within 12 hours, to: LUMPERS@STSFREIGHT.COM. In the event STS pays for a lumper charge, a copy of receipt is required to be emailed immediately before driver departs Consignee facility. Failure to comply will result in a rate reduction.
- **10.PAYMENT:** Carrier will be paid only by STS and will not contact the shipper, consignee or any customer of STS for any payment of carrier's freight charges under this agreement. STS is entitled to deduct any loss, shortage and/or damage, and claim the estimated amount, from any freight charges that may be owed to carrier. 30 Day Payment terms will apply for all invoices.
- **11.DOUBLE BROKERING:** Carrier is not allowed to double broker any shipment under any circumstances. Double brokering will result in all agreed charges to be fully revoked by STS and reported to all load board platforms, carrier monitoring platforms, and FMCSA.
- 12.CARGO SEAL: Carrier is not to break the seal without getting a written confirmation from STS. By booking a shipment with STS, Carrier understands that the trailer is contracted to STS for exclusive use and if these conditions are not met, deductions could apply.
- **13.TRAILER CONDITION:** Carrier is responsible for ensuring trailer must be clean, dry, leak-proof, free of odor, in good condition free of infestations, blood, debris, other contaminants, and otherwise safe to transport the shipment's commodities. Door seals must be intact and drain plugs must be in place. STS will not pay a TONU or any other fees for equipment being rejected due to poor conditions.
- 14.TEMPERATURE CONTROLLED SHIPMENTS: All refrigerated trailers must have refrigeration units in good operating condition, with intact
 trailer chutes running full-length of trailer, and downloadable refrigeration unit data reporting capability. All refrigerated trailers must run
 continuously, at the required temperature as indicated on the STS Load Confirmation, from pre-cooling by arrival at Shipper through shipment
 delivery at Consignee. In the event the temperature indicated on the Bill of Lading (BOL) is contradictory or confusing to the temperature indicated
 on STS Load Confirmation, Carrier must resolve the contradictory or confusing temperature instructions immediately by notifying STS. Written
 instructions by STS must be obtained to resolve any contradictory or confusing temperature instructions before accepting the shipment for
 transport. Written instructions only amends the individual shipment in question. Failure to resolve any issue with the instructions prior to transport
 shall bar Carrier from using the contradictory or confusing instructions as a defense.
- 15.SAFE TRANSPORTATION OF FOOD SHIPMENTS: Carrier is responsible for and agrees to comply with all applicable laws, including all statutes, rules, regulations, and governmental guidance documents, in the performance of its services under agreement of this STS Load Confirmation, including without limitation, those related to the transportation of food, food related products, and pharmaceuticals, as well as all instructions provided by STS or the Shipper Bill of Lading (BOL) regarding transportation of the commodities tendered to it. Carrier will defend, indemnify, and hold STS and Shipper harmless, including all costs, expenses, and attorney fees related in any way to Carrier's violation of the requirements of this section, or all applicable laws and regulations. Carrier shall be responsible for the safety and sufficiency of all items, which could render the shipment unsafe, used in the transportation of the commodities, including all vehicles and transportation equipment as defined herein and in applicable law. Carrier shall ensure that no transportation equipment has been used to transport poison, refuse, garbage, trash or solid or liquid waste of any kind whatsoever, whether hazardous or non-hazardous. Carrier is responsible for all sanitary conditions during transport, and shall conduct regular temperature checks at regular intervals and document readings. Carrier must provide temperature data in a manner acceptable to STS for each shipment, upon request. If STS or BOL instructions require a cargo seal, the lack of a seal shall be sufficient to consider the shipment unsafe and a total loss.
- Carrier agrees that when transporting food for human consumption, late delivery, i.e. delivery after the deadline indicated on the transportation documents, alone shall be sufficient to reject a shipment and consider the cargo a total loss. Failure to comply with the provisions set forth herein or any instructions may result in a determination by STS or Shipper that the goods transported are no longer safe and if such a determination is made, Carrier shall not sell or otherwise distribute the goods and shall dispose of the same at its expense. Any goods disposed of shall be considered a total loss and valueless for determining cargo loss and damage liability of Carrier shall develop and maintain written procedures related to the safe transport of food products transported for STS, shall train its drivers and staff regarding safe transport of food products, shall keep records of its procedures and training, and shall make these records available to Carrier upon request for at least three years after the record is created.
- 16.ACCEPTANCE OF RATE CONFIRMATION: For the STS Load Sheet / Load Confirmation to be accepted, Carrier MUST sign and date the Load Confirmation and return to STS by fax or by email. If for any reason STS does not receive the signed Load Confirmation from the Carrier, this Load Confirmation will be considered not accepted and will be canceled.
- **17.BOL INFORMATION:** If the address on BOL does not match the address on rate confirmation STS needs to be notified prior to departure from shipper, failure to do so will result in any redelivery costs to the correct Consignee at the expense of the carrier alone and STS will not be held accountable for any further cost incurred during the transit. Any and all changes regarding this matter have to have email approval from the STS Management team, no verbal approvals will be taken in considerations.
