BILL OF LADING  
85166279

SHIPMENT#  
12350576

RECEIVED, subject to applicable classifications, tariffs, circulars, letter quotes and/or contractual agreements in effect on the date at the shipping point hereof, in apparent good order, except as noted, (contents and condition of contents of packages unknown) marked consigned, and destined as indicated hereof, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property, that every service to be performed hereof shall be subject to all the terms and conditions of the Uniform Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail or a rail water shipment, or (2) in the applicable motor carrier classification of tariff if this is a minor carrier shipment. Shipper's signature hereof certifies that he/she is familiar with all the terms and conditions of the said bill of lading, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself/herself and his/her assigns. Shipper's signature hereof signifies its intent to apply Conditions of Section 7 of applicable bill of lading, i.e., The carrier shall not make delivery of this shipment without payment of freight and other lawful charges.

All shipments will be subject to a Fuel Surcharge

WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Decoratively surfaced wood products (for example, decorative papers, or surfaced with paint or print) may also generate other inhalable trace particles which are known to the State of California to cause cancer (for example, airborne inhalable trace particles of titanium dioxide, and/or carbon black). Avoid inhaling wood dust and trace particles by using proper dust collection systems and/or the use of a dust mask or other suitable personal protection equipment. This product can expose you to formaldehyde, a substance known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Refer to product SDS for further information which can be found on our website: <https://na.arauco.com/>.

Arauco will not be held responsible for deflection or warpage when TFL papers are not the same on both sides of the panel.
