Notes

All Van/Container loads MUST be sealed at origin either by shipper or driver with a seal number noted on bill of lading. The driver is responsible for re-sealing the trailer after each pickup/drop on a multi-stop shipment. In the event a shipment that was sealed at origin or after each additional pickup/drop arrives at the destination with a tampered seal or without the seal intact then (i) the Carrier shall be liable for any shortage or damage claims with respect to such shipment and (ii) the shipper shall have the right, in its sole discretion, to deem the entire shipment damaged, adulterated/contaminated and unsalvageable, without the need for any inspection and the Carrier shall be liable for the full value of the shipment. Carrier is required to weigh shipment within 50 miles of departing each shipper. If carrier fails to weigh shipment within 50 miles of departing each shipper, any citations/expenses incurred due to the equipment and/or shipment weight will be the carrier's sole responsibility. Carrier must meet and comply to shipper requirements at the facility. All drivers must wear masks or facial coverings to the extent required by laws or facilities. **Carrier must be in full compliance with the Food Safety Modernization Act (FSMA), if applicable. - 2) Carrier must provide proof of the on time arrival and departure times in the form of a BOL or other shipping document with arrival and departure times notated by facility within 24 hours of shipment delivery at final facility.

This confirmation is subject to the terms of the Agreement and this document constitutes an amendment thereto. If the CARRIER has not signed the Agreement, then the rate shown above is the agreed individually negotiated rate and no other rate shall apply including any carrier tariff rate or terms.

THIS LOAD SHALL NOT BE DOUBLE BROKERED. No additional charges not listed above may be added by the CARRIER. Any additional charges must appear on a revised confirmation sheet signed by the BROKER. CARRIER must include signed copy of the shipper's bill of lading and any other proof of delivery with invoice to BROKER. Rates, except as specifically designated above, are inclusive of any fuel surcharge. CARRIER also warrants that it is in compliance with any comparable requirements of the Environmental Protection Agency (EPA) and other states, where applicable. CARRIER shall be responsible for any fines imposed on BROKER and/or shipper resulting from noncompliance.

CARRIER hereby confirms that it maintains applicable and valid insurance without exclusions that would prevent coverage for the items listed above. CARRIER has at least \$100,000.00 in cargo insurance and \$1,000,000.00 in automobile liability coverage. CARRIER further confirms that in transporting the shipment described hereinabove, it will comply with all U.S. DOT and FDA regulations applicable to its operations while transporting said shipment, including, but not limited to drivers' hours of service, and the Food Safety Modernization Act (FSMA), if applicable. CARRIER agrees to the attached requirements from the shipper, if any.

ALL LOADS ARE SUBJECT TO ELECTRONIC TRACKING

By accepting this shipment, CARRIER agrees that it has obtained a written agreement from each driver transporting a shipment tendered by BROKER to CARRIER pursuant to the Agreement in which each driver provides all necessary consents to (i) receiving text messages and/or phone calls from or on behalf of BROKER and (ii) allowing BROKER or its vendor to track such driver's location while transporting such shipment. CARRIER shall comply with all applicable laws relating to the collection, use, storage, retention, disclosure, and disposal of any information CARRIER provides to BROKER, including information regarding the drivers transporting shipments. CARRIER shall indemnify, defend, and hold BROKER and its affiliates harmless from and against any and all claims, damages, liabilities, losses, actions and expenses (including attorneys' fees) arising out of or in connection with CARRIER's breach of this Section.
