STANDARD LUMPER POLICY

Receipts must be submitted at <https://v2.red-trucks.com> or on our RED Driver app within 2 business days of delivery unless stated otherwise in the special instructions or receipts will not be reimbursed. STANDARD TERMS AND CONDITIONS (Version 10/1/15):

THIS FREIGHT IS NOT TO BE CONSOLIDATED WITH ANY OTHER FREIGHT WITHOUT WRITTEN PERMISSION FROM SPOT FREIGHT. THE PROVIDED RATE IS FOR EXCLUSIVE USE OF EQUIPMENT ONLY.

BY ACCEPTING THIS SHIPMENT FOR TRANSPORTATION, REGARDLESS OF WHETHER SIGNED BELOW, CARRIER AGREES THAT THE FOLLOWING STANDARD TERMS AND CONDITIONS APPLY ON THIS AND ANY SUBSEQUENT SHIPMENTS TENDERED TO IT BY SPOT FREIGHT (UNLESS A MORE RECENT VERSION OF THESE TERMS AND CONDITIONS IS SUBSEQUENTLY PROVIDED TO CARRIER BY SPOT FREIGHT).

NOTE : Some shippers / consignees have accessorial requirements or rates that differ from Spot Freight's standard requirements and rates. Those requirements and rates will be listed in the "Special Instructions" section on the rate confirmation and will supersede the standard requirements and rates below.

DIRECTIONS & REQUIREMENTS

Any directions given by Spot Freight, or its customers, whether orally or electronically are for information purposes only.

It is the carrier's sole responsibility to confirm that it may lawfully and safely operate its vehicle and contents over any road, highway, bridge, and/ or route. Carrier shall be solely responsible for any fines, penalties, or citations that may be levied as a result of operating its vehicle and contents in a way that may be in violation of any regulation, law, or ordinance. Carrier is responsible for compliance with all FMCSA rules and regulations, including but not limited to Hours of Service compliance. Carrier warrants the driver assigned to this shipment has sufficient hours available to complete the delivery and remain in compliance with the Hours of Service rules. In the event Spot Freight is erroneously listed as the "carrier" on the Bill of Lading, the Carrier agrees that Spot Freight's role is as a property broker only and despite any incorrect designation on the Bill of Lading, Carrier is, for all purposes, the "carrier".

STANDARD DRIVER RESPONSIBILITIES

1. By signing the Bill of Lading ("BOL") the driver agrees to be responsible for the condition and count of the load and the way it is loaded. If Driver is requested to count and verify the pallet count, piece count or condition of the product by shipper, the driver agrees to verify that such information on the BOL is correct.

2. Driver agrees to confirm that the information on the BOL (Pallet Count, Weight, Product, Shipper location(s) and Consignee Location(s)) matches the order information on the load confirmation sent to the carrier. In the event that the BOL does not match the rate confirmation, the driver / carrier agrees to notify Spot Freight at 866.971.7768 ext. 101 before leaving the shipper's facility. If Driver does not notify Spot Freight, then the Carrier agrees to pay all costs and expenses incurred by Spot Freight as a result of driver's failure to match information on the BOL to the order information on the load confirmation sent to the carrier.

3. Driver agrees to leave all sealed loads sealed until broken by the consignee or designated party.

If driver breaks seal without permission or does not put seal provided on the trailer, Carrier agrees to pay claimant for full value of the freight. Carrier is responsible for freight charges to return rejected product to reconsigned location specified by Spot Freight. Carrier will also be responsible for any consequential damages, production downtime or other claims related to broken seals, failure to seal load, late delivery or other service failures.

4. Driver agrees to call Spot Freight at 866.971.7768 ext. 101 immediately for any expected pickup or delivery delays, safety or claim issues.

STANDARD ACCESSORIAL POLICY

In order to be eligible for accessorial payment, all of the following requirements MUST be completed. Carrier agrees that failure to meet the requirements will result in a forfeiture of reimbursement/compensation. Accessorial rates may vary by shipment.

1. CARRIER MUST BE ON TIME FOR SCHEDULED APPOINTMENT. DRIVERS THAT ARRIVE LATE ARE NOT ELIGIBLE FOR COMPENSATION.

2. After 2 hours at the facility, Carrier must notify broker/company contact listed above that the truck is being held and detention is being requested.

3. Arrival and Departure times should be documented on the BOL/POD with the times signed or stamped by shipper/consignee. If shipper/consignee refuses to sign, then Spot Freight must be notified of in/out times upon actual arrival/departure. In such instances, ELD/GPS tracking may be accepted as proof of arrival/departure times and will need to be submitted within seven (7) days of delivery.

4. All requests for accessorials must be submitted within 12 hours of delivery. An accessorial request can be submitted either via www.red-trucks.com carrier portal by creating a new case within the shipment, or via our website at www.spotinc.com. All requests must include a clear, legible copy of the BOL/POD or the request will not be processed.

5. Carrier represents that its Cargo and Reefer Breakdown insurance have NO policy exclusions that will jeopardize coverage of the freight in case of a claim. In the event that the Carrier made an error or omission in regards to an exclusion, Carrier agrees to pay full value of the damaged freight.

6. Carrier shall defend, indemnify, and hold Spot Freight, the consignor and the consignee harmless from any fines or penalties arising out of the transportation of the shipment by Carrier.

7. Carrier is required to verify shipment temperature at origin is within the acceptable range. Failure to verify shipment temperature shall preclude Carrier from asserting the product was out of temperature at origin.

BILL OF LADING-ORIGINAL-NOT NEGOTIABLE

Received, subject to the classifications and tariffs in effect on the date of issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property, over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the Bill of Lading terms and conditions in the governing classification on the date of the shipment. Shipper hereby certifies that shipper is familiar with all the lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Freight charges are Prepaid (or Prepaid & Add) on this Bill of Lading unless the Bill of Lading is marked "Collect".

For Collect on Delivery shipments, the letters "COD" must appear before the consignee's name or as otherwise provided in NMFC item 430. If the Bill of Lading is marked "Collect", but the consignee fails to make payment as required, the Carrier is without recourse as to the Shipper, but may decline to deliver the shipment to the consignee.

For shipments placed with Carrier by a broker to which Shipper has made payment, the Carrier must deliver the shipment to the consignee and is without recourse against consignee or Shipper for the payment of freight charges. Carrier's only recourse for the payment of freight charges is against the broker.

All hazardous materials identified as such in the Department of Transportation's Hazardous Material Regulations (49 CFR Part 172) are marked with an "X" in the column marked "HM". If appropriate, for hazardous substances in reportable quantities the term "RQ" may appear in place of the "X".

This is to certify that the herein-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
