Terms and Conditions:

(1) Accessorial Charges: The Rates and Charges detailed herein are the only Rates and Charges applicable to this load, and include all Accessorial Charges (i.e. stop pay, loading/unloading, fuel surcharge, etc.). Only original receipts from official companies providing Accessorial services, bulkheads, or pallets will be accepted and reimbursed. Driver loading and/or unloading shall not be reimbursed. Carrier will only be reimbursed for Accessorial Charges if it [a] provides written notice to Broker at the time such Accessorial Charge is incurred and [b] submits an original receipt from the official company providing the necessary and applicable Accessorial services, bulkheads, and/or pallets with the Carrier's invoice and all other required billing documents. (2) Payment and Billing Documents: In accordance with the Broker-Motor Carrier Agreement ("BMCA"), payment by Broker will be made within thirty (30) days of receipt by Broker of Carrier's Billing Documents. All payments made via EFS Check, including those for advances, are subject to a \$10.00 EFS Check charge. Required Billing Documents include [a] the executed Rate Confirmation, [b] signed BOL's, [c] Carrier's invoice, [d] applicable Accessorial receipts, and [d] all other shipping documents required by Broker to secure payment from its Customers. (3) Detention: Carrier shall have a 3-hour window (free time) from its scheduled appointment to be loaded/unloaded. In order to be eligible for detention, Carrier must arrive on time for the appointment (at or before the beginning of the appointment time listed herein) and immediately notify Broker in writing if it is not loaded/unloaded within 1 hour after the appointment time. Carrier may then be eligible for possible detention beginning 2 hours after Broker is notified via email. The rate of any detention to be paid is \$25/hour up to an absolute maximum total rate of \$150/day. Unless Carrier is otherwise able to establish arrival and departure times in accordance and in compliance with the terms of the Freight Visibility section, no detention shall be paid to Carrier unless the shipper and/or receiver, as applicable, legibly stamps or documents Carrier's arrival and departure times on the BOL's. Further, no detention shall be paid to Carrier when Carrier fails to comply with the terms and conditions of the Fregith Visibility section below. Carrier shall not be eligible for detention at FCFS facilities or on Appointments where FCFS is indicated on this Rate Confirmation. Layover charges shall not apply. Carrier shall indemnify and hold Broker harmless for any and all Customer charges imposed for Carrier's late arrival to an Appointment, except and to the extent such late arrival was caused by Broker. (4) Advances: Advances are subject to the sole and absolute discretion of Broker and no advances will be issued unless negotiated prior to this Rate Confirmation. In addition to any other applicable charges, all advances issued will be subject to a charge equal to 3% of the advanced amount. (5) Indemnification: In accordance with the BMCA, Carrier agrees to defend, indemnify, and hold Broker and the Customers harmless from any and all direct and/or indirect loss, liability, damage, delay, expense, cost, including reasonable attorneys' fees, fines, actions and claims for injury to persons (including death) and for damage to property arising out of or in connection with Carrier's actions. Further, Broker reserves the right to withhold, offset, or deduct from any amount due to Carrier for claims or pending claims owed by Carrier. (6) Double Brokering: ABSOLUTELY NO DOUBLE BROKERING IS PERMITTED. (7) BMCA: The terms and conditions set forth in the BMCA, whether or not executed by Carrier, are incorporated by reference into this Rate Confirmation and proprietary information subject to the Confidentiality provision of the BMCA shall include any and all records and information reviewed under Section 371.3 of Chapter 49 of the Code of Federal Regulations. By executing this Rate Confirmation or by actual acceptance of the tendered load, the Carrier hereby confirms and acknowledges that Carrier remains fully subject to all such terms and conditions when performing services with respect to this load. No modifications or amendments to this Rate Confirmation shall be binding against Broker unless initialed and signed by an authorized representative of Broker. If any terms of the BMCA are found to be inconsistent with any terms in this Rate Confirmation, the terms of this Rate Confirmation shall prevail. (8) Trailer Leasing Agreement: In the event Carrier has executed a Trailer Leasing Agreement with or is otherwise leasing trailer equipment from Sky Lease, LLC or ITF, LLC for the use of such equipment to transport this load, the terms and conditions set forth in the Trailer Leasing Agreement, whether or not executed by Carrier, are incorporated by reference into this Rate Confirmation. In addition to any other rates or charges detailed herein or in the Trailer Leasing Agreement, Carrier shall pay to Broker and/or allow Broker to deduct from the amount Broker owes Carrier, the sum of \$200.00 for such use of the trailer equipment on this load. (9) Product Count, Securement, & Commodity: Carrier is responsible for securing the product and for the case, pallet and/or product count (as applicable) as evidenced on this Rate Confirmation and each applicable BOL. Carrier shall call Broker and make appropriate notations prior to signing the BOL or leaving the shipping facility in the event Carrier is not allowed on the shipping dock to witness loading and is unable to secure the product, verify case, pallet and/or product count, or determine specific product/commodity type(s). By signing the BOL and/or failing to notate any shortage or damage on the BOL (with shipper's written confirmation), Carrier attests that it received all products listed on the BOL in good condition and that the product is properly secured. Upon delivery or attempted delivery, Carrier shall immediately communicate any and all product overage or other undelivered or rejected product to Broker and must await Broker's instructions regarding the disposition of such product. Regardless of whether this or any subsequent Rate Confirmation includes any charge item or amount related to the disposition of such product, Carrier, at its sole cost and expense, shall be responsible for the return, redelivery, destruction, disposal, or donation of such product in accordance with Broker's instructions. Further, Carrier, at its sole cost and expense, shall be liable for those additional or replacement transport costs incurred by Broker or its Customer as a result Carrier's failure to pickup, transport, and delivery any full or partial PO/BOL/Pickup listed herein. Such stated temperature on the BOL is to be continuously maintained until all freight transported hereunder has been offloaded at the applicable destination(s). As the temperature is to be continuously maintained, at no time during transit of this load shall Carrier run its reefer on cycle mode. If no temperature is stated on the BOL or conflicting temperatures are given in a single or multiple documents, Carrier shall obtain written confirmation of the correct temperature from the shipper and immediately notify and advise Broker in writing of such temperature for verification. (12) Weight: Carrier acknowledges and agrees that any and all weights listed herein are estimates only, provided as of the date of this Confirmation, and that Broker shall not be responsible for any additional rates or charges resulting from the difference between the weight listed in this Confirmation and the greater actual weight shipped.
