**LOAD CONFIRMATION AND RATE AGREEMENT
(ADDENDUM TO BROKER CARRIER CONTRACT)**

Transland Contract Addendum and Carrier Load Confirmation Conditions:

This load confirmation is subject to the terms of the agreement for motor contract carrier services ("agreement") previously executed between our companies and this constitutes an addendum to the terms of that agreement. We agree to pay the rates and charges shown above and no different or additional tariff rate or schedule of rates, including any accessorial or fuel surcharges, apply. You have agreed to the following terms.

Service & Rate Stipulation

Any and all accessorial charges including, but not limited to detention, lumpers, layover, Truck Order Not Used, Storage, Re-delivery, Reconsignment, Adding/Removing Stops, and Trailer Detention must be negotiated at the time of service. At no time shall the transported goods be placed in a warehouse without written consent of the Broker.

Check Calls

All drivers must call for dispatch and check for the following events: arrive at shipper, loaded at shipper. More than 1 day transit must call daily with location information; arrive at destination, unloaded at destination. Unauthorized delayed service shall be charged to carrier, not to exceed the actual charges of the original rate confirmation. A minimum charge of \$50 shall apply to missed appointments. Carrier agrees with the above rate confirmation said movement and any further charges must be called and documented with the new rate confirmation to acknowledge acceptance of charges.

- Detention must be documented on BOL and turned in as a POD within 24 hrs of shipment completion to logistics@drivetrand.com. TransLand must also be verbally advised when driver is approaching the mark of detention. If detention occurs, it will be paid after 3 hours at \$40.00 per hour, in half hour increments. TransLand must be notified at 1.5 hours of delay and kept updated of any issues the driver may be experiencing while loading or unloading. After 5 hours payable detention, it will be considered layover paying a maximum of \$150.00. NO DETENTION will be paid if appointment(s) are missed. TransLand will pay \$150.00 TRUCK ORDERED NOT USED (TONU) if the load cancels after the driver has been dispatched by TransLand. All detention is handled on a case by case basis. If your driver is late for pickup or delivery, detention will automatically be denied. If the carrier's driver accepts dispatch, the original terms will be applied.
- Lumpers. Carrier is responsible for paying lumpers and TransLand must be notified and approve the lumper amount. You will then be sent a revised rate confirmation. To be reimbursed, you must turn in original lumper receipt with your POD and invoice. Bill Of Lading (BOL) and all receipts for lumpers must be faxed or emailed within 24 business hours of the delivery for reimbursement of fees. The trip number must be noted on all paperwork.
- OS&D All overages, shortages, damages must be reported immediately, and noted on the bill of lading.
- All drivers must be able to supply at least 2 load locks, or straps. Driver is responsible for making sure freight is secured and safe for transportation. Load must have seal secured and seal intact shown on Bill of Lading at Receiving. If Customer does not provide seal, Driver is responsible to place his own seal. All freight is no touch.
- Equipment must be clean, dry and odor free. Should your trailer condition be less than satisfactory, you will not receive a truck ordered not used for rejected equipment.
- Freight must be kept at appropriate temperature while in transit.
- Driver is responsible for what is loaded on his truck, please verify that BOL matches information given during dispatch. Any discrepancy contact TransLand dispatch immediately. If TransLand is not notified at the time of loading, no extra charges will be paid.

Exclusive use of Equipment/Carrier Requirements

Unless TransLand provides written notice herein that the term does not apply to this shipment. Carrier's motor vehicle equipment shall be dedicated to Broker's exclusive use while in transporting freight tendered by Broker (Transland and affiliates) pursuant to this Load Confirmation and Carrier's agreement with Transland. Carrier's violation of this exclusive use requirement shall result in carrier's forfeiting its right to be paid for the transportation services contemplated by this Load Confirmation, not as a penalty, but as liquidated damages. This carrier agrees to transport the load only under its registered motor carrier authority and agrees to be legally bonded. Broker prohibits substitution of carrier and double broker of any freight. Carrier is prohibited from subcontracting this load to any other carrier or broker. Carrier shall defend, indemnify and hold actions or damages arising out of carriers performance hereunder, including damages of any kind asserted against broker for negligent hiring of carrier, cargo loss and damage, theft delay, damage to property and personal injury or death

Payment Terms

To accept this load, sign and return all pages of this load confirmation and rate agreement. You must have your driver call for dispatch. Carrier payment terms are 30 days from receipt of invoice, signed rate confirmation and Original Proof of Delivery.
