Notes

All Van/Container loads MUST be sealed at origin either by shipper or driver with a seal number noted on bill of lading. The driver is responsible for re-sealing the trailer after each pickup/drop on a multi-stop shipment. In the event a shipment that was sealed at origin or after each additional pickup/drop arrives at the destination with a tampered seal or without the seal intact then (i) the Carrier shall be liable for any shortage or damage claims with respect to such shipment and (ii) the shipper shall have the right, in its sole discretion, to deem the entire shipment damaged, adulterated/contaminated and unsalvageable, without the need for any inspection and the Carrier shall be liable for the full value of the shipment. Carrier is required to weigh shipment within 50 miles of departing each shipper. If carrier fails to weigh shipment within 50 miles of departing each shipper, any citations/expenses incurred due to the equipment and/or shipment weight will be the carrier's sole responsibility. Carrier must meet and comply to shipper requirements at the facility. All drivers must wear masks or facial coverings to the extent required by laws or facilities. **Carrier must be in full compliance with the Food Safety Modernization Act (FSMA), if applicable. By accepting the shipment, Carrier agrees that the driver has consented to receiving text messages and/or phone calls from or on behalf of Coyote.**

Approval for payment of detention is contingent upon the following eligibility requirements:

- 1) Carrier must report facility departure time and total detention hours within 24 hours of shipment delivery at the final facility.
- 2) Carrier must provide proof of the on time arrival and departure times in the form of a BOL or other shipping document with arrival and departure times notated by facility within 24 hours of shipment delivery at final facility.

Terms and Conditions

The Broker-Carrier Agreement or Carrier Agreement (in each case, the "Agreement") between Coyote Logistics, LLC, a Licensed Property Broker - USDOT # 2236410, and Zigi Freight Inc is amended by the verbal agreement between Jared Soderholm of Coyote Logistics, LLC hereafter referred to as BROKER, and Milo of Zigi Freight Inc hereafter referred to as CARRIER, dated 02/27/2024.

This confirmation is subject to the terms of the Agreement and this document constitutes an amendment thereto. If the CARRIER has not signed the Agreement, then the rate shown above is the agreed individually negotiated rate and no other rate shall apply including any carrier tariff rate or terms.

THIS LOAD SHALL NOT BE DOUBLE BROKERED. No additional charges not listed above may be added by the CARRIER. Any additional charges must appear on a revised confirmation sheet signed by the BROKER. CARRIER must include signed copy of the shipper's bill of lading and any other proof of delivery with invoice to BROKER. Rates, except as specifically designated above, are inclusive of any fuel surcharge. CARRIER certifies that it is in compliance with all requirements of the California Air Resources Board (CARB) that are applicable to the scope of CARRIER's operations, including, but not limited to: Statewide Truck and Bus Regulations, Transport Refrigeration Unit (TRU) Regulations, Tractor-Trailer Greenhouse (GHG) Gas Regulations, and Drayage Truck Regulations. CARRIER also warrants that it is in compliance with any comparable requirements of the Environmental Protection Agency (EPA) and other states, where applicable. CARRIER shall be responsible for any fines imposed on BROKER and/or shipper resulting from noncompliance.

CARRIER hereby confirms that it maintains applicable and valid insurance without exclusions that would prevent coverage for the items listed above. CARRIER has at least \$100,000.00 in cargo insurance and \$1,000,000.00 in automobile liability coverage. CARRIER further confirms that in transporting the shipment described hereinabove, it will comply with all U.S. DOT and FDA regulations applicable to its operations while transporting said shipment, including, but not limited to drivers' hours of service, and the Food Safety Modernization Act (FSMA), if applicable. CARRIER agrees to the attached requirements from the shipper, if any.

ALL LOADS ARE SUBJECT TO ELECTRONIC TRACKING

By accepting this shipment, CARRIER agrees that it has obtained a written agreement from each driver transporting a shipment tendered by BROKER to CARRIER pursuant to the Agreement in which each driver provides all necessary consents to (i) receiving text messages and/or phone calls from or on behalf of BROKER and (ii) allowing BROKER or its vendor to track such driver's location while transporting such shipment. CARRIER shall comply with all applicable laws relating to the collection, use, storage, retention, disclosure, and disposal of any information CARRIER provides to BROKER, including information regarding the drivers transporting shipments. CARRIER shall indemnify, defend, and hold BROKER and its affiliates harmless from and against any and all claims, damages, liabilities, losses, actions and expenses (including attorneys' fees) arising out of or in connection with CARRIER's breach of this Section. This Section shall survive the expiration or termination of the Agreement between BROKER and CARRIER.

Operating Parameters
Roxul USA, Inc. dba Rockwool

Carrier shall adhere to the following customer requirements:

The execution of the shipments will take place with clean (including odorless freight area), representative and appropriate equipment. The equipment will be held in good and save condition and must strictly comply with all environmental rules which are applicable to the execution of transportation services. The transportation services will be executed by skilled and sufficiently trained employees, who meet the minimum requirements set by the government.

CTPAT Certification

Rockwool is CTPAT certified and looks at having partnerships with business partners that are also certified. Any vendors that Rockwool does business with for Transportation if CTPAT certified needs to provide proof of certification and allow Rockwool to monitor you on the CTPAT portal. If a Carrier is not CTPAT certified, then a questionnaire is required to be completed and kept on file with Rockwool and follow-up auditing will be completed by Rockwool at our convenience to ensure CTPAT requirements are being followed.

Loading

During the stay on our premises and for loading the following regulations apply:

- a) The truck drivers are obliged to wear health and safety clothing while they are on ROCKWOOL premises. The personal protective equipment consists of a helmet / bump cap as well as safety shoes and reflecting clothes (e.g. safety vest). The access to our premises can be denied if the truck driver refuses to wear the health and safety clothing.
- b) Once the loading is completed and the papers for transportation have been handed over, the truck drivers need to leave the premises as soon as possible.
- c) There is a strict ban on alcohol/drugs and smoking on ROCKWOOL premises. There are clearly marked smoking areas, where smoking is allowed.
- d) The truck drivers need to be instructed on the agreed conditions of the cooperation with ROCKWOOL by the Carrier.

Execution of shipments

Since the drivers are representatives of ROCKWOOL when delivering our material, it is necessary that they behave properly (this includes being friendly, objective and having professional knowledge) as well at each unloading stop as also during loading. The drivers should not comment on any process regarding our administration.

The driver has to follow the regulations of the transport law and road traffic act. This applies especially for no-parking zones. Furthermore, regulations for noise prevention must be followed.

In case an event occurs that could lead to a claim from the customer (e.g. major difference between expected and actual time of arrival) this information needs to be given to Broker immediately, who will send to the transport planning department of ROCKWOOL.
