Item	BOL Description	Qty	Units/Stack	Freight Class	Weight
4343S	Plastic Pallets	504	28 Stacks	Class 250, NMFC 150390-03	11,592lbs

Received, subject to the classification and lawfully filed tariffs, if applicable, or individual rates on the date of the issue of this bill of lading.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown) marked, consigned and destined as shown below, which said company (company being understood throughout this contract as meaning any person or corporation in possession of property under contract) agrees to carry to usual place of delivery at said destination, if on railroad, water line, highway route or routes, or within the territory of its highway operations, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any part of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all conditions not prohibited by law, herein contained, including conditions on the back hereof, which are hereby agreed to by the shipper and accepted for himself and his assigns.

This is to certify that the materials named above are properly classified, described, packaged, marked and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
