Rate Confirmation Agreement for RL Solutions, LLC

All invoices must include a signed delivery receipt and be sent to:

RL Solutions, LLC

1800 St. Julian Place, Ste 103 Columbia, SC 29204 **or** email
accounting@shiprls.com for faster processing

- **If there are objections to the terms stated, they must be submitted within 24 hours after receipt.**
- **Rate shown includes any applicable fuel surcharges, pickup and delivery charges, loading and unloading, out of route, detention, storage, and/or all arbitrary charges etc. Deviation from these rates must be approved in writing and signed by both parties.**
- TONU will not be approved under any circumstances if driver does not contact RL Solutions, LLC for dispatch. Contact: customerservice@shiprls.com or 864-990-4646
- **Quick Pay will not be approved, if not discussed at time of booking.**
- Any authorized unloading will only be reimbursed with a valid unloading receipt.
- There will be a \$20.00 service charge for any Cash Advance, including fuel and lumpers.
- **Any load delivering later than the assigned date on this confirmation will result in a 10% rate reduction per calendar day the load is late, providing there are no natural disasters.**
- Detention Charges will not be paid if we are not contacted 30 minutes prior to starting detention. Late pick-ups or late deliveries are not eligible for detention charges. If facility is FCFS, detention will only be paid if carrier is loaded or unloaded outside of the regular pick-up or delivery hours. If applicable, the arrival and departure times must be stamped and/or written on the BOL.
- **All refrigerated loads must be run on continuous unless otherwise stated.**
- **Driver is responsible for all load counts. If driver is not granted access to the loading dock they must call the broker to notify immediately.**
- **No Dispatchers, Drivers, or any Carrier Representative are authorized to contact Shippers or Consignees without the permission of authorized RL Solutions, LLC personnel. A FreightGuard will be issued, and payment for this shipment may be denied.**
- Any directions given to the carrier are for informational purposes only.
- Carrier acknowledges that they are solely responsible for compliance with all applicable HOS regulations, as well as all other FMCSA regulations.
- Drivers must be ELD and/or DOT compliant.
- No drivers are authorized to break seals under any circumstances. Seals must only be broken by the consignee's personnel. Loads delivered without the seals intact will result in fines and potential claims.
- **Carrier agrees this shipment will not be re-brokered or said carrier forfeits the right to collect charges and agrees RL Solutions, LLC, may pay charges directly to the underlying carrier to collect charges and agrees.**
- **Any Stop Payment Fees will be paid by Carrier in the event a check has to be reissued.**
- Carrier representative submission with acceptance and signature indicates approval of all rates and terms listed on rate confirmation.
- **There will be a \$50 fee for any lost or missing paperwork that we have to track down and recover.**
- **RL Solutions is not responsible for any charges related to the consignee closing due to weather while the load is in transit.**

BILL OF LADING
85191948

SHIPMENT#
12372979

RECEIVED, subject to applicable classifications, tariffs, circulars, letter quotes and/or contractual agreements in effect on the date at the shipping point hereof, in apparent good order, except as noted, (contents and condition of contents of packages unknown marked consigned, and destined as indicated hereof, which said carrier (the word carrier being understood throughout this contract meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property, that every service to be performed hereof shall be subject to all the terms and conditions of the Uniform Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail or a rail water shipment, or (2) in the applicable motor carrier classification of tariff if this is a minor carrier shipment. Shipper's signature hereof certifies that he/she is familiar with all the terms and conditions of the said bill of lading, set for in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself/herself and his/her assigns. Shipper's signature hereof signifies its intent to apply Conditions of Section 7 of applicable bill of lading, i.e., the carrier shall not make delivery of this shipment without payment of freight and other lawful charges.

Vesta NAP products are manufactured using no added formaldehyde-based resins and are EPA TSCA Title VI certified and comply with CARB ATCM 93120 NAP for formaldehyde emission limits.

All shipments will be subject to a Fuel Surcharge

⚠ WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Decoratively surfaced wood products (for example, decorative papers, or surfaced with paint or print) may also generate other inhalable trace particles which are known to the State of California to cause cancer (for example, airborne inhalable trace particles of titanium dioxide, and/or carbon black). Avoid inhaling wood dust and trace particles by using proper dust collection systems and/or the use of a dust mask or other suitable personal protection equipment. This product can expose you to formaldehyde, a substance known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Refer to product SDS for further information which can be found on our website: <https://na.arauco.com/>.

Arauco will not be held responsible for deflection or warpage when TFL papers are not the same on both sides of the panel.

BILL OF LADING
85191948

SHIPMENT#
12372979

Some laminates applied to fire-rated (FR) Particleboard and MDF panels, including Vesta FR panels, may change the flame spread rating. Standard available woodworking glues have been successfully used in lamination. However, some adhesives may have compatibility problems with the chemical system used to manufacture Particleboard FR, MDF FR and Vesta FR. Any adhesive should be tested for compatibility with the chemical system in Particleboard FR, MDF FR and Vesta FR prior to full-scale gluing. Questions should be directed to the glue supplier. When using Particleboard FR, MDF FR or Vesta FR in wall systems, an integral vapor barrier must be a properly installed component of the wall in any of the following conditions: the wall has an exterior side, and the wall separates spaces conditioned unequally. Joints between panels to be designed to accommodate movement of up to .40 percent. Spliced or articulated joints for reveals per AWI Section 500, 500A-G-4 #Joints and Transitions# or similar is suggested. Wood veneers and other laminates should be tested for compatibility with Particleboard FR, MDF FR and Vesta FR prior to use. Some wood veneers, laminates, and other types of products may have reactions to surface coatings and finishes, glues, pressing temperatures, moisture, contaminants, the chemical systems used to manufacture Particleboard FR, MDF FR and Vesta FR products, the failure to use UV inhibitors, or due to other causes. Reactions may include discoloration to veneer or laminate. ARAUCO is not responsible for discoloration or for claims associated with discoloration. Please contact your Sales Representative for more information.
