DISPATCH NOTES/TERMS:

- AmeriLux takes pride in providing exceptional service to our customers. If you anticipate a service issue resulting in a late pick up or delivery, please report this to us immediately so that we may proactively communicate this to our customers.
- MacroPoint is now a requirement to haul shipments for AmeriLux. Please provide driver information to AmeriLux 24 hours prior to pickup. For shipments being moved on a "same day" basis, please provide driver infomation at the time of load tender.
 - In the event driver information is not provided prior to pickup AND tracked successfully through the duration of the shipment, \$200 will be deducted from the rate confirmation.
- If you are hauling a shipment that requires additional funds via Comchek for services rendered (ie. Lumper Fees), there will be a \$50 admin fee issued against the rate of the load.
- Re-brokering, switching drivers, using the wrong equipment, or not hauling this load exclusively without written prior approval could result in a rate reduction at AmeriLux Logistics' discretion.
- Driver detention charges will be based upon 2 hours of free time at each origin & delivery point, not to exceed \$30 per hour or a maximum of \$150 for a layover.
 - AmeriLux Logistics knows how important it is to keep your driver moving & we will work diligently with our customer to have your driver loaded/unloaded in a timely manner.
 - Please notify us immediately if your driver has been at a facility for 90 minutes & does not believe he will be out within the next 30 minutes.

- Failure to pre-notify 30 minutes prior to the 2-hour window expiring will result in the carrier's forfeiture of any detention charges.
- Failure to arrive on-time for a scheduled appointment; or executing a pick-up/delivery on the wrong date, will result in the carrier's forfeiture of any detention charges.
- In and out times must be on the signed/dated POD for driver detention to be paid.
- Any other accessorials must be reported immediately, and supporting paperwork must be supplied within 24 hours, in order for AmeriLux Logistics to review for approval.
- Carrier must notify AmeriLux Logistics immediately in the event of damages, shortages, and/or loss in conjunction with this load.
- Unless specifically noted as a partial on rate confirmation, all loads are to be treated as exclusive use.
- Failure to comply with this agreement in its entirety, including broker/carrier agreement may result in a financial penalty to be determined by AmeriLux Logistics.
- By accepting this load, you are agreeing to these terms. A POD will be proof of load acceptance.
- Please email your freight invoice along with your signed/dated POD and any other supporting documents to logisticsaccounting@amerilux.com within 24 hours of delivery.
 - If a POD is not received within 10 calendar days of scheduled delivery, carrier will be subject to a fine of \$150.
 - Please be advised, if freight invoice, signed/dated POD and any other supporting documents are not received within 6 months of delivery date, carrier will forfeit payment for services rendered.

Terms for Carrier Documents:

Carriers are required to upload a Proof of Delivery within 24 hours of delivery. This can easily be done by the driver using the QR code located on your rate confirmation. Additionally, a Proof of Delivery can be emailed to logisticsaccounting@amerilux.com and/or dispatch@amerilux.com within 24 hours of delivery.
