If drivers fail to pass requirements, they will be turned away from the facility. A driver's failure to pass the customer's requirements and/or the carrier's failure to make drivers aware of this requirement at the time of dispatch could result in Coyote denying any TONU charges or requests for additional costs stemming from rejected drivers.

Effective immediately the following restrictions are in place at Revlon locations in Roanoke and Salem, VA.

Roanoke

- 1) Drivers may enter the building to sign BOL's in the designated areas

Salem

- 1) No drivers are to enter the building
- 2) Revlon Team Members will bring the BOL's out to the drivers for signature

- 4) Drivers CAN NOT walk the dock and need to remain in their tractors

We are implementing these for the safety of your driver as well as our Revlon Team Members. We appreciate your understanding during these unprecedented times.
