This agreement is pursuant to the terms of the Brokerage Agreement between River Place Logistics, Inc and the Carrier and becomes a binding addendum to that contract. Carrier is operating under its own operating authority and assumes all risks and costs associated with normal contract carrier transportation. Carrier agrees that it will not, under any circumstances, broker the transportation obligation outlined in this document to any parties not specifically noted in this agreement. In addition if Carrier contacts the customers referenced by this load number concerning payment for the transportation on this traffic, outside the scope of this brokerage agreement, RPL has the right to withhold payment for services.

Include Signed Original Bill of Lading, signed free and clear.

Freight bill must show origin, destination, commodity, pieces, weight and quoted rate with accessorial charges.  
 Receipts to back up any accessorial charges.

Accessorial will not be paid without prior approval and only upon successful reimbursement from their customer.

Notice: Freight moving under this Bill of Lading is subject to classifications and tariffs established by the carrier and are available to shipper upon request. This notice supersedes and negates any claimed oral or written contract, promise, representation, or understanding between parties, except to the extent of any written contract signed by both parties to the contract. Carrier certifies only ARB-compliant equipment will be dispatched on California highways or railways. Any unauthorized alteration or use of this Bill of Lading or the tendering of this shipment to any carrier other than that designated by company, may VOID company's obligations to make any payments relating to this shipment and VOID all rate quotes. All shippers, consignors, consignees, freight forwarders or freight brokers are jointly and severally liable for the freight charges relating to this shipment.

I hereby declare that the contents of this consignment are fully and accurately described above by the proper shipping name, and are classified, packaged, marked and labeled/placarded, and are in all respects in proper condition for transport according to applicable international and national governmental regulations.
