This is to certify that the above named materials are properly classified, packaged, marked, and labeled, and are in proper condition for transportation according to the applicable regulations of the DOT. Trailer used for this load was inspected, prior to loading, and found to be clean, free of odors, debris, leaks and infestations.

Carrier acknowledges receipt of packages and required placards. Carrier certifies emergency response information was made available and/or carrier has the DOT emergency response guidebook or equivalent documentation in the vehicle. Property described above is received in good order, except as noted.

For use in manufacturing of food. As per 21 CFR 507.36, this product has not been processed to control microbial pathogens and should be further processed to ensure compliance with the FD&C Act.
