The following rates are mutually agreed upon by both **CARRIER** and **BROKER**. They may be changed at any time by mutual agreement. The point to point rates listed below supersede all other rates in effect and will remain in effect until changed by mutual agreement. To collect "driver assist" or detention charges the broker must be contacted immediately and charges agreed upon before unloading, also bills **MUST** be signed accordingly by consignee. **Double brokering or loading another carrier besides the one contracted through this document without written consent from the broker voids all agreements oral and/or written and voids all payments for services rendered.**

The carrier representative by signing this document agrees to have all properly signed PODs returned to Rick's Logistics LLC within 14 days after delivery, failure to do so may result in a 10% rate reduction. We do not consider a load booked until we have received all signed and completed documentation.
