RECEIVED, subject only to the written contract between the carrier and the shipper in effect on the date of issuance of this Bill of Lading, the property described below, in good order and condition, except as noted (contents and conditions of contents of packages unknown) marked, consigned and destined as shown below. It is mutually agreed as to each carrier of all or any of said property and as to each party at any time interested in said property, that the services to be performed shall be subject to all of the written conditions in effect between the parties on the date of shipment. This Bill of Lading is not subject to any individually determined rates, carrier tariff, supplement or classification, except as specifically agreed to in writing by shipper and carrier prior to shipper's tender of the property to the originating carrier or its pickup agent. CARRIER CERTIFICATION: Carrier acknowledges receipt of packages and required placards. Carrier certifies emergency response information was made available and/or carrier has the DOT emergency response guidebook or equivalent documentation in the vehicle.

The following is required for United States shipments only. If this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement. The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges.		Charges Advanced: If the shipment moves between two ports by water, the law requires that the bill of lading shall state whether it is "carrier's or shipper's weight." NOTE - Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exacting.	Shippers imprint in lieu of stamp, not a part of the bill of lading approved by the Interstate Commerce Commission. This is to certify that the above named materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.	The fibre boxes used for this shipment conform to the specifications set forth in the box maker's certificate thereon, and all other requirements of Consolidated Freight Classification.
