=====

Fraud ID Prevention: Driver must call PAM Transport @479-361-5368 with PAM load number to obtain required pickup and delivery details and to confirm Truck, Trailer, and VIN information. It is the Driver or Carrier's sole responsibility to confirm all transit times are lawful and any directions or routes are completely safe given their equipment or load.

Check Calls: Driver must call with the arrival and departure times from both shipper and receiver.

In transit Calls: Driver or dispatcher must call by 9:00 each morning with update and ETA; Notify PAM immediately if delayed or detained and unable to make on-time delivery.

MacroPoint Tracking: Telematic or ELD tracking is required on every load. PAM Transport is required by our customer to provide detailed tracking data for every shipment. Prior to every load the driver must be tracking and must continue to provide this information until delivery is final.

Accessorial Charges: All charges (detention, TONU, layover, lumpers, etc.) must be authorized and pre-approved prior to or at time of occurrence. Lumper fees will not be reimbursed without proper paperwork or receipt of lumper and must be submitted within 48 hours of the occurrence. Carrier shall ensure bill of lading is noted with printed and signed name by shipper / receiver personnel and provides and states arrival and departure times to be eligible for detention. Check calls are required to be eligible for detention charges and drivers must call with arrival and departure times. Drivers must check call one hour prior to detention starting so we may be proactive in preventing the occurrence. Without proper documentation, PAM Transport has no proof of the occurrence and cannot bill customer. When PAM Transport receives the proper documentation, a new rate confirmation will be issued. If driver is late for an appointment, they are not eligible for detention charges.

Detention policy is thirty-five dollars (\$35.00) per hour with a maximum of two-hundred dollars (\$200.00) per day. Detention starts two (2) hours after the end of the appointment time.

Comcheck Fee: There will be a 30.00 surcharge deducted from invoice per each ComCheck/advance received on load.

Sub-Contracting (double brokering): Carrier agrees that all freight tendered by PAM Transport shall be transported on equipment operated only under the authority of the carrier assigned to the load. Carrier shall not in any manner sub-contract, broker, or in any other form arrange for the freight to be transported by a third party.

OS&D: Carrier must contact PAM Transport at time of occurrence to report any discrepancies, OS&D, or claims issues.

- =====
- * Shipper & consignee addresses are provided as a courtesy. At no time may they be contacted to change a scheduled pick-up or delivery time.
 - * Carrier must supply the original bill of lading, an original signed delivery receipt, and the rate confirmation with the invoice.
 - * Agreed rate includes all accessorial charges and surcharges, for example, stop offs & fuel surcharges.
 - * Failure to comply with any part of this policy could delay payment.

Mark with an "X" to designate hazardous materials as defined in title 49 of the code of Federal Regulations. Received Subject to the classifications and lawfully filed tariffs in effect on the date of issued of this bill of lading: the property described above in apparent good order, except as noted (contents and conditions of contents of packages unknown) marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of the said property over all or any portion of the said route to destination, and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, set forth in the classification of tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Carrier:

This is to certify that the above named materials are properly classified, described, packaged, and labeled and are in proper condition for transportation according to the applicable regulations of the department of Transportation.
