Shipment Terms

This confirmation is an agreement between TRANSFIX and Carrier to haul the indicated load at the indicated rate, and subject to shipment terms.

1 - Tracking Requirements

The driver agrees to track continuously throughout the entirety of the shipment via the Transfix mobile app or via Transfix approved ELD tracking. For shipments that require tracking, drivers who are not actively tracking via ELD or mobile app prior to pickup will be removed from the load. If Transfix incurs penalties or fees as a result of drivers failing to track, Transfix shall have the right to deduct the applicable fees and penalties up to 25% of carrier rate, not to exceed \$200.

2 - Load Confirmations

All load confirmation agreements must be returned with signature prior to pick up of any shipments tendered by Transfix on behalf of its customer. Failure to comply will result in cancellation of shipment to the carrier.

3 - Load/Unloading

Carrier must observe and inspect all cargo as it is being loaded, to assure: (a) freight is in good order and condition without defect; (b) case/pallet count is correct as compared to the shipper's documents and this 'Load Confirmation'; (c) the freight is properly loaded and secured to prevent damage, to include temperature related damage and (d) upon check out carrier must verify that shipment is loaded, secured properly and in good condition in the event that load shifts during transit, carrier agrees to pay all fees and expenses associated with re-stacking as required by receiver. If shipper does not allow the driver to observe the loading, **STOP AND CALL TRANSFIX IMMEDIATELY!** Have Shipper to note 'SLC' (for Shipper Load & Count) on the BOL if Carrier is not allowed to observe loading. All trailers must arrive at the shipper facility and be suitable and adequately cleaned for their intended use and capable of maintaining temperatures necessary for the safe transport of food on reefer loads.

4 - Co-brokering/re-brokering

No shipment can be co-brokered or re-brokered without express prior written approval of Transfix management. If a shipment is co-brokered or re-brokered without this approval, the originating Carrier is responsible for all incidents and claims.

5 - Notification of delay or other incidents affecting shipment

Transfix maintains an on-call operations center available 24 hours/day, 7 days/week at 929-293-0360. All carriers are responsible to immediately notify Transfix of any and all loading, unloading, missed or late pickups and/or deliveries, or in-transit delays and ALL applicable cargo incidents, including the need to break SEALS. Carrier further agrees to notify Transfix immediately prior to leaving receiver upon arrival at receiver when load shifts or damage occurs.

6 - Proof of Delivery & Paperwork

ALL PAGES OF ANY PAPERWORK - SIGNED POD, BOLs, RECEIPTS, ETC - MUST BE SUBMITTED WITHIN 24 HOURS OF DELIVERY citing in and out times, in order to process payment for accessorials and PODs. Failure to submit within 24 hours will result in a rejection of any additional charges including, but not limited to, accessorials. Electronic submission can be sent to pod@transfix.io. To submit NOAs/NORs please go to transfix@noa.triumphpay.com.

7 - Accessorial Charges & Live Load Detention

All Accessorial charges (inclusive of Lumper Receipts, Detention, Unplanned Stops, etc) must be pre-approved. Unauthorized charges may not be paid; not all requests will be honored. The driver agrees to contact Transfix 30 minutes prior to entering detention, or have tracking enabled through facility arrival and departure, in order to be eligible for compensation. Drivers will contact Transfix by calling 929-293-0380, messaging via the Transfix mobile app, or emailing detention@transfix.io. Detention dry van rate is \$50 / hour, reefer rate is \$50 / hour. If the driver was not tracking or did not notify Transfix 30 minutes prior, the rate is \$40 / hour. Detention begins 2 hours after the appointment time. For First Come, First Served facilities, detention starts 2 hours after the arrival time. In order to be eligible, the driver must arrive on time for the appointment. Carriers must notify Transfix by emailing carriersuccess@transfix.io or by having driver text in 30 minutes before detention starts in order to be eligible for detention payout. Legible IN/OUT times are required on POD and signed off on by shipper/receiver for detention approval.

The reduction will be reviewed if proof of delay is provided.

9 - Late Fee

If Transfix incurs penalties due to a late shipment, the Carrier agrees to a 25% late fee (minimum \$200 late fee) should driver arrive late to delivery. Any late fees will be deducted from All-In rates. If an issue occurs please contact Transfix immediately and we may waive the late fee. To notify us, please call 929-293-0380

10 - Hours of Service

Carrier is responsible for monitoring and enforcing the driver's hours of service. Do not accept the load if driver cannot make the transit legally.

11 - Other Terms

All loads are dedicated FTL. If loading partial without permission, carrier may be responsible for fines up to 50% of the All-In rate. Carrier must abide by any other shipping requirements provided to carrier upon tender. TONU payments to the carrier are subject to change pending customer approval. If the carrier can provide sufficient proof of on-time pickup (i.e. tracking via the Transfix App) and the customer denies payment, Transfix will issue a TONU payment to the carrier. This Rate Confirmation is included by reference the Broker Carrier Agreement (the BCA), and all terms and conditions found in the BCA between TRANSFIX and Carrier shall apply. In the event of conflict between these terms and the terms and conditions of the BCA, the BCA will apply. Carrier acknowledges and agrees that the Parties do not intend to create or form a constructive trust, and Carrier waives and agrees not to claim or assert any such trust. Carrier further agrees that it shall look to and accept payment of its rates and charges only from TRANSFIX, and not from any customer of TRANSFIX.
