## Terms and conditions for carriage: Refrigerated Terms and Conditions: Driver is responsible to fully understand and acknowledge pickup and delivery requirements I. before loading; (Please reference load tender provided by CHARGER GLOBAL LOGISTICS INC.) Driver is responsible for keeping a clean, odorless food grade trailer that complies with the Π. Sanitary Food inspection Act; Unit must be in good condition with up-to-date maintenance Reefer must be fully operational and trailer pre-cooled prior to loading. Always run reefer on III. continuous mode as tendered & instructed by CHARGER GLOBAL LOGISTICS INC. from pick up until unloaded Driver is responsible to immediately report any discrepancies with temperature requirement to IV. CHARGER GLOBAL LOGISTICS INC. dispatch before accepting load. Failure to do so may result in a claim to carrier for damages to the carrier; All trailers must be loaded with a temperature recorder on board. Driver is responsible to V. witness pulp temperature of the product before accepting the load. Failure to do so may result in a claim for damages to the carrier; Driver must contact CHARGER GLOBAL LOGISTICS INC. immediately to report any load that is VI. less than 20 pallets or 40000lbs. Once reported, driver must wait until CHARGER GLOBAL LOGISTICS INC. has approved ok to roll. Seal integrity is mandatory and is the responsibility of the carrier. All sealed loads must be VII delivered intact to protect the integrity of the products; If there is an issue with the sealed load, driver must contact CHARGER GLOBAL LOGISTICS INC. VIII. dispatch immediately for instructions before breaking a seal. Unauthorized and undocumented breaking of a seal may result in a claim against carrier. At time of loading, driver must ensure: Ready to eat and cooked product must always be palletized and transported above raw I. products; All product/boxes being loaded are in good condition, loaded correctly and properly secured Ш. prior to departure to prevent damages upon delivery; All case/pallet counts match load confirmation/BOL and discrepancies are to be reported immediately. If shipper does not allow this, driver must contact CHARGER GLOBAL LOGISTICS III. INC. dispatch, mark "shippers load and count" on BOL and document name of who loaded and checked load; Driver is responsible to report any issues or discrepancies with temperature and/or loading IV. immediately to CHARGER GLOBAL LOGISTICS INC. dispatch before accepting the load. Failure to do so may result in a claim for damages; V. Pallets are used to prevent direct contact/storage on the floor of the trailer; Barriers and proper packaging are used to prevent cross contamination between different VI. meat/seafood species and any product not fully enclosed by packaging; Food that is not completely enclosed by a container and open to the surrounding environment VII. must never be transported below other items;

VII. All issues that could potentially affect temperature, quality or safety of the food at loading, during transport, or at delivery are reported immediately to CHARGER GLOBAL LOGISTICS INC.

dispatch;

Failure to comply with ALL above requirements may result in a claim for loss or damages to the carrier.

## Upon Delivery:

- I. Driver is responsible to ensure that all BOLs are signed by receiver, showing what they received before departing delivery to avoid any discrepancies with customer;
- II. If a load has multiple deliveries, it is the driver's responsibility to ensure the correct product is being offloaded at each stop and the correct BOL's are being signed;
- III. If there is a rejection upon delivery, the carrier must remain at the place of occurrence and wait for further instructions from the temp control team on how to proceed;
- IV. Any driver late for delivery that has not provided advance notice of delay, will be subject to a late fine;
- V. All overages, shortages or damages must be reported immediately to Charger dispatch; Please ensure that you are sending POD's and pictures to <u>claims@chargerlogistics.com</u>
- VI. Any rejected product that's not reported, will automatically be the carrier's responsibility as well as any costs associated.

All carriers must keep and be able to present, if requested, the following documentation:

- I. Written sanitary procedures that define cleaning, sanitizing and inspection for all trailers.
- II. Trailer washout receipt prior to loading when requested.
- III. Temperature control and vehicle maintenance records.
- IV. Food safety training records for all drivers.
