Waiting time at the Marshaling Yard should be anticipated by your carrier. Every effort is made to keep this waiting time at a minimum. However, the waiting time depends on many factors, including the number of vehicles arriving to unload/load, the type of loads being unloaded, the number of booths on a truck, etc.After unloading, all vehicles must return to the Marshaling Yard with a completed copy of the GES Receiving Report to be weighed to obtain the light weight. This determines the total weight of your shipment. Drivers who fail to return to weigh-out may face having their shipment billed at the heavy weight.All drivers are expected to adhere to GES' policies and procedures with respect to the loading and unloading of trailers.TRAILER FOR EXCLUSIVE USE ONLY\*\*\*Carrier is required to check call with dispatch/tracking with reference LD# for pick up and delivery\*\*\* Carrier must contact dispatch 30 minutes before entering detention. \*\*\* Any shipper seals must be intact at time of delivery. \*\*\*Carriers must notify dispatch(CHARICE 863-800-7306) immediately with any delays for pick up or delivery to ensure no rate deduction.
