("CAT") has been obtained, Carrier shall not, in any manner, sub-contract, broker or tender to any third party for transportation, any goods tendered to carrier by CAT pursuant to this Contract of Carriage. Any double brokering by Carrier will forfeit its right to compensation for the shipment, and accordingly any and all claims will be denied by CAT.
- Carrier must issue a bill of lading prior to picking up the entrusted goods and name CAT as the load broker. He must also insert CAT's inscription number (NI) and/or operating number (MC) on all shipping documents.
- Carrier hereby waives its right to seek payment of its freight charges from the shipper, the consignee or from any of CAT's customers, and further agrees not to contact said parties for any reason and in any manner whatsoever.
- Carrier must contact CAT should any problem occur during transport, including without limitation any overages, shortages and damages.
- Unauthorized breaking of the seal without written consent will result in a claim
- All detention must be reported no later than ninety (90) minutes after arrival, failing which detention costs will not be approved.
- All extra charges must be approved in writing by CAT's representative via a revised load confirmation.
- No payment will be made until proof of delivery of the goods accompanied by the bill of lading and all related and signed documents have been provided to CAT, to its total satisfaction, which documents shall be faxed or emailed to CAT within twenty-four (24) hours of delivery.
- For a period of one (1) year following the execution of the transport movement, Carrier undertakes not to solicit for transportation, arrange for, or accept, directly or indirectly, loads from CAT's customers, the shipper and the consignee named in this Contract of Carriage.
- This Contract of Carriage shall be governed by the laws and regulations of the Province of Quebec.
- In case of discrepancies between this Contract of Carriage and the bill of lading to be issued by the Carrier, the terms and conditions of this Contract of Carriage shall prevail.
- This Contract of Carriage will also be subject to the Motor Transportation Agreement entered into between CAT and the Carrier (the "**Transportation Agreement**"). In case of discrepancies between this Contract of Carriage and the Transportation Agreement, the latter will prevail.
- Should Carrier fail to sign and return the Contract of Carriage to CAT prior to the execution of the transport movement, Carrier agrees and covenants that by taking possession of the entrusted goods, it will be bound by the terms and conditions of this Contract of Carriage.

Please sign and return this document by fax or email to CAT:

Carrier agrees to the terms and conditions of this Contract of Carriage and undertakes to be bound by them.
