**Terms:**

UPDATES & EVENT NOTIFICATIONS: Carrier must contact broker for load instructions, then notify of all arrival & departure times within 30 minutes of occurrence. In-Transit updates are required by 9AM CT each day while the carrier is in possession of the load.

DETENTION: Detention charges will be based upon 2 hours free time at each origin and delivery point not exceeding \$50 per hour and with a \$200 maximum per stop. For detention to be authorized, Broker must be notified 1 hour prior to the expiration of the free time or the detention will be calculated from the moment of notification. Failure to arrive on time for scheduled appointment time or accept MacroPoint tracking will make the Carrier ineligible for detention charges.

OTHER: Carrier must notify Broker immediately of any of damages, shortages, loss or delay. All accessorial charges must be reported immediately for approval with supporting paperwork submitted within 24 hours of delivery.

RECEIVED, subject to the classification and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery as said destination, if on its route, otherwise to deliver under another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property, over all or any portion of said route to destination and as to each party at any time interested in all of any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

This is to certify that the above-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation
