charges not listed above may be added by the carrier. Any additional charges must appear on a revised confirmation sheet signed by the broker. Carrier must include signed copy of the shipper's bill of lading and any other proof of delivery with invoice to broker. Rates, except as specifically designated above, are inclusive of any fuel surcharge. Carrier certifies that it is in compliance with the requirement of the CARB with respect to Transport Refrigeration Units (TRU's or reefers) are similar requirements of the EPA and other states, where applicable. Carrier shall be responsible for any fines imposed on Broker and/or shipper resulting from noncompliance. Carrier further confirms that in transporting the shipment describe here in above, it will comply with all USDOT and FDA regulations applicable to its operations while transporting the said shipment, including but not limited to driver's hours of service, and the Food Safety Modernization Act (FSMA), if applicable. Carrier agrees to the attached requirement from the shipper, if any. This rate is contingent upon successful and on-time completion of all load terms as orally stipulated or written on this addendum and rate may be subject to reduction if carrier fails to complete to complete any shipment terms and conditions. Rate may be reduced if load picks up or delivers after originally scheduled time and date. Carrier acknowledges that failure to complete any terms and conditions on this shipment may jeopardize or result in loss of future business opportunities with Broker and/or cancellations of Broker/Carrier contract. Accessorial charges (including but not limited to labor, detention, and/or layover charges) MUST BE authorized and approved prior to or at time of occurrence, (HLG) will NOT provide any reimbursement of any non, prior approved accessorial charges. Carrier shall ensure the bill of lading is notated either when handling is required or when detention occurs, that a lump sum receipt is provided when a lump sum is hired, and/or that both are included as supporting documents with the Carrier's invoice. This may also include scale tickets for bulk hauling. All overage, shortage, and damage must be reported to Broker immediately, at time of occurrence, and noted on the bill of lading. Pursuant to Broker-Carrier contract, carrier will provide an amount of cargo insurance coverage sufficient to cover the loss of damage of any commodities and cargo carried. Carrier's cargo insurance policy must not exclude from coverage and commodities or cargo carried on this order. If carrier's cargo insurance policy contains a schedule of covered vehicles, carrier WILL NOT transport and cargo of this shipment using a vehicle that is not listed as a scheduled vehicle on carrier's cargo insurance policy.

Carrier Instructions

Received 99 Drums 5/29/24 Kalvin

I hereby declare that the contents of this consignment are fully and accurately described above by the proper shipping name, and are classified, packaged, marked and labelled/placarded, and are in all respects in proper condition for transport according to applicable international and national governmental regulations. For ocean shipments, it is declared that the packing of the container/vehicle has been carried out in accordance with the IMDG code, paragraph 5.4.2

Subject to Section 7 of conditions of applicable bill of lading, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges.

Note: where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding _____ per _____.

For intermodal shipments, this document is an INTERMODAL CERTIFICATION. For customer pick up orders, this document is a receipt for material, not a bill of lading. Driver acknowledges that placards are affixed and DOT Emergency Response Guidebook, or equivalent information, is immediately available.

These commodities, technology or software (collectively 'items') were exported in accordance with applicable export control laws. Diversion of such items to countries, individuals, or entities contrary to applicable export control laws, including but not limited to those of the U.S., is prohibited.
