NOTE: (1) Where the rate is dependent on value, shippers are required to state specifically in writing the amount of value for which the property is insured. (2) Where the applicable tariff provisions specify a limitation of the carrier's liability absent a release or value, the carrier's liability shall be limited to the extent provided by such provisions. See NMFC Item 172.		Subject to Section 7 of conditions, if the shipment is to be delivered to the consignee without recourse on the carrier, the shipper shall sign the following statement: The carrier shall not be liable for the shipment without payment of freight and all other lawful charges.	
RECEIVED: subject to the classification and liability filed tariffs in effect on the date of the Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), is hereby received by the carrier in possession of the property under the contract of carriage to be carried to the place of delivery as indicated on the bill of lading. If on the route of carriage to the place of delivery, the carrier is required to deliver to another carrier, the carrier shall be responsible for the property to the extent of the carrier's liability as indicated on the bill of lading. If the carrier is required to deliver to another carrier, the carrier shall be responsible for the property to the extent of the carrier's liability as indicated on the bill of lading. If the carrier is required to deliver to another carrier, the carrier shall be responsible for the property to the extent of the carrier's liability as indicated on the bill of lading.
