"Carrier agrees and accepts in accordance with 49 CFR 49 CFR § 371.3, our records are maintained for a period of 36 months. Any information contained within those records are sealed and any requests for records required to be kept under this regulation will not be made available or released until after 35 months have elapsed from the first date of the load being tendered to carrier from its customer(s). The only exception to this will be if a rate is negotiated on a percentage-based line haul.
