Carrier is responsible to ensure that their trailer is sealed before leaving each shipping point and that the trailer maintains its seal during the entirety of transit until goods have been delivered and a signed BOL can be provided from the receiving party. Carrier should send a picture of both the seal affixed to the trailer and the seal # clearly written on their BOL to tracking@foxlogistics.com before leaving any shipping point. Failure to ensure the trailer is affixed with a seal before leaving any shipping location will cause the carrier to inherit all liability for any OS&D and/or claims that result from the loss of chain of custody. The carrier also agrees to forfeit any pay for transportation of goods and services in regards to this rate confirmation if they fail to maintain chain of custody via seal integrity.
