To our valued partner carriers:

Venture Connect would like to invite all our carriers to participate in our initiative to supply customers with better visibility regarding their shipments. To do so, we are working with Descartes MacroPoint to supply customers with real-time tracking for their shipments.

How is this beneficial to carriers? Carriers that sign up and allow tracking will become a carrier of choice for Venture Connect. Also, this would free up your dispatchers/drivers from receiving email/phone communications for shipment updates leaving your dispatchers/drivers more time to do the important jobs they are assigned to complete. The service is **completely free** to our carriers.

How do you sign up? Sign up is quick and easy! Simply go to the URL below (<https://carrier.macropointconnect.com/transcorr>) and complete the form. A representative with Descartes MacroPoint will be in touch regarding the final step on how to connect.

We look forward to hearing back from you so we can get started on saving you time, money, and energy spent on tracking and updating your Venture Connect freight.

Thank you for everything you do and for being a trusted carrier!
