IMPORTANT NOTES:

1. Carriers must report any Shortages, Overages, or Damages at time of Pickup and Delivery.

2. All paperwork must be submitted within 24 hours, failure to do so may result in delayed payment. Cargobot reserves the right to deduct the agreed upon rate at a rate of \$50 per day that we have not received the POD, after the 24-hour grace period. All accessorials must be included with the invoice and POD to be reimbursed. Failure to submit all paperwork together could result in nonpayment of accessorial.

3. It is the driver's responsibility to ensure the load is safe, secure and legal for transport. All damages or fallen product of the cargo hauled in the carrier's truck and/or caused because of a wrong handling are complete responsibility of the same carrier.

4. All trailers must be clean, empty and odor free. All reefer units MUST be temperature downloadable in case a claim occurs. It is strongly recommended that every driver has his reefer unit verified and calibrated every 45 days.

5. Absolutely NO Loitering, Public Urination, Profanity or other forms of unprofessional behavior at the shipper and consignee locations. If such behavior is denounced you will be charged a monetary penalty.

6. Exclusive use of the hired truck and trailer. Re-brokering. assigning or interlining of this shipment will void our obligation to pay your freight.

7. Carriers' violation of this exclusive use requirement shall result in Carriers forfeiting its right to be paid for the transportation services contemplated by this Load Confirmation, not as a penalty, but as liquidated damages.

8. Service and Rate Stipulation. This rate is contingent upon successful and on-time completion of the entire load as orally or written on this addendum and the rate may be subject to reduction if the carrier fails to complete any shipment terms and conditions. Rate may be reduced if load picks up or delivers after the originally scheduled time and date.

9. Carrier acknowledges that failure to complete any terms and conditions on this shipment may jeopardize or result in loss of future business opportunities with CargobBot and/or cancellation of CargoBot carrier contract.

10. After Hours EFS issuance: EFS requests made outside of regular business hours (08:30 to 18:00 EST time) may not be authorized until the following business day. EFS advance can be issued up to 35% of gross load.

11. Carrier agrees to all terms of this agreement: this is not a trip lease; carrier is not an independent contractor with its own ICC operating authority; Carriers are responsible for ALL permits and taxes as well as for insurances and current cargo.

12. If the carrier cancels a load after the Rate Confirmation is accepted and signed, a CANCELLATION FEE of \$250 will apply if there are no valid reasons.

13. Remember that we require Macropoint as a tracking tool. This App will only share your location while you are on the load.

18. All invoices must be sent to accounting.usa@cargobot.io within 180 days of the load being delivered. Invoices received more than 180 days after delivery will not be paid.
