SPECIAL INSTRUCTIONS:

*It is the carrier's responsibility to communicate your driver's available hours at the time that a load is booked, and again once your driver is empty on his/her previous shipment and about to head to the new pick up. If at any time it appears that your driver's available hours will inhibit you from picking up or delivering at the predetermined times, it is your responsibility to communicate that immediately to the Allen Lund Company. It is our intent that your drivers only operate within legal standards. We will either attempt to adjust our customer's pick up and/or delivery times to accommodate your driver's legal operating schedule, or we will release you from your obligation to haul this load without any negative consequences..

*CONCERNING TRAILER CONDITION: Trailers must be FOOD GRADE. Must be clean, dry, and odor free. Trailer must be completely EMPTY upon arrival. This product will completely cube out the inside of the trailer. Trailer can NOT have broken glass or oil stains on the floor..

*CONCERNING DELIVERY APPTS: On time arrival for delivery appts is critical. If at any time you realize that your driver will be unable to make ontime delivery, you must contact Allen Lund Company immediately. If you have issues after normal business hours, or realize that your driver will not make ontime delivery after normal business hours then you must contact the 800 number listed on the load confirmation, and hit the after hours emergency prompt to reach our on call personnel..

*53 foot trailer only. No translucent top trailers allowed.
TRAILER MUST BE COMPLETELY EMPTY, ALL 53 FEET OF SPACE NEEDED TO LOAD THIS PRODUCT.

*This shipment will require a seal on the trailer. The seal will be provided by the shipper and it is the drivers responsibility to make sure that the trailer is sealed prior to he or she leaving the shippers property. Please also be sure to have the driver verify the seal number that they are given matches the seal number printed on the BOL. The only time this seal should or can be broken prior to arrival at the consignee is upon a stop from the DOT and or the police department. If this does take place please be sure the BOL is notated and the trailer is resealed by either the DOT or police. Allen Lund needs to be made aware of this occurrence prior to your driver arriving at the consignee to avoid a possible rejection and or claim of the load. Under no other circumstance should this seal be broken or removed by anyone other than the consignee. Failure to comply to these guidelines will cause your trailer to be refused at time of delivery and also have the potential of your load be claimed in full..

*FOOD GRADE TRAILER REQUIRED. This product can NOT be loaded on a trailer that has been used to haul refuse (garbage), or hazardous materials..

*- THIS LOAD REQUIRES A 53X102 DRY VAN/SWING DOORS-NO ROLL DOORS.

*Detention must be reported at time of occurrence or will not be paid by the customer..

*All loads must be sealed before departing shipper and noted on BOL..

*****This shipment requires MacroPoint tracking during the entire duration of the load. Load confirmations are sent without Pickup and PO #'s until driver

ALLEN LUND RATE CONFIRMATION

accepts MacroPoint Tracking. Once the driver accepts MacroPoint, pickup and delivery POs will be released to the dispatcher and/or driver. If drivers are unable or unwilling to accept MacroPoint (MP) then they cannot haul this customer's load. Please see steps below for your driver to get set up using MacroPoint on this load: The driver will receive a text from MacroPoint asking them to allow MP to track them by their phone. They have to ACCEPT by replying with OK, via text, in order for MP to be able to track them. The driver will be prompted to download the free app where you will be clicking arrived and departed for each of your pickup and delivery locations. If the driver doesn't receive a text message from MacroPoint (MP), they will need to call the Allen Lund phone number listed at the top of you load confirmation. MacroPoint is not a replacement for daily check calls. We may still need to verify information such as current locations, and in/out times at pickup/delivery locations, etc.

***DRIVER'S RESPONSIBILITY** - Drivers must check BOL's Load numbers, PO numbers, and Destination before they leave the shipper to ensure they have the correct shipment.

EMERGENCY CONTACT INFO: For any urgent problems or issues, after regular business hours or over weekends, you may reach our After Hours Dispatcher at (800) 497-5863.
