This Load Confirmation governs the rate for this Load as of the date specified and hereby amends and is incorporated by reference and becomes part of the Agreement. Carrier represents and warrants that it agrees to the rate herein, said mutually agreed upon rates are reasonable and compensatory, that the freight would not have been tendered to Carrier at higher rates, and that no shipments handled under such rates will subsequently be subject to a later claim of undercharges.

Carrier agrees to be CARB compliant when traveling to, from or through California and shall indemnify Echo and its customers from any loss or damage resulting from Carrier's failure to so comply.
3. Only the Carrier identified in this Load Confirmation is authorized to transport this shipment. Compensation may be

withheld if this Load is double-brokered, moved by rail, consolidated with any other freight or if the agreed terms hereunder are not satisfied. Carrier agrees, and authorizes its factoring company, if any, to reimburse Echo for all amounts paid on this Load if it is transported by any carrier other than the Carrier identified herein. Carrier waives all rights to payment from the shipper and/or consignee.

6. Trailer seals must be applied, with the seal number noted on the bill of lading, prior to departure from the shipper. A seal may not be broken with prior written approval from Echo management.
