All accessorials must be included with the invoice and POD to be reimbursed. Failure to submit all paperwork together could result in nonpayment of accessorial.

3. It is the driver's responsibility to ensure the load is safe, secure and legal for transport. All damages or fallen product of the cargo hauled in the carrier's truck and/or caused because of a wrong handling are complete responsibility of the same carrier.

4. All trailers must be clean, empty and odor free. All reefer units MUST be temperature downloadable in case a claim occurs. It is strongly recommended that every driver has his reefer unit verified and calibrated every 45 days.

8. Service and Rate Stipulation. This rate is contingent upon successful and on-time completion of the entire load as orally or written on this addendum and the rate may be subject to reduction if the carrier fails to complete any shipment terms and conditions. Rate may be reduced if load picks up or delivers after the originally scheduled time and date.

9. Carrier acknowledges that failure to complete any terms and conditions on this shipment may jeopardize or result in loss of future business opportunities with CargobBot and/or cancellation of CargoBot carrier contract.

10. After Hours EFS issuance: EFS requests made outside of regular business hours (08:30 to 18:00 EST time) may not be authorized until the following business day. EFS advance can be issued up to 35% of gross load.

12. If the carrier cancels a load after the Rate Confirmation is accepted and signed, a CANCELLATION FEE of \$250 will apply if there are no valid reasons.
