Per Contract Rate Confirmation Agreement Appendix A

Carrier will invoice eShipping directly for all services provided unless otherwise agreed to in writing. Freight charges will be submitted with a bill of lading and will be paid within 30 days of receipt of freight bill, signed bill of lading, and/or signed delivery receipt. Carrier will be responsible for verifying piece counts at the time of pick up.

Discrepancies must be reported immediately (prior to leaving the origin or destination facility) of shortages/overages or damage. Notations such as STC (said to contain) and SWP (shrink wrap pallet) will not insulate carrier from liability in the event of a cargo claim. In the event of a cargo claim, carrier will be liable for the full invoice value of the loss. Carrier agrees, understands, and accepts that the commodity named in the load confirmation is not specifically excluded in its current cargo coverage.

Concealed damage claims reported to the carrier within 15 days of delivery will be treated as if notice of damage was inserted on the bill of lading at delivery. Carrier agrees to acknowledge and respond to claims in accordance with 49 C.E.8 Part 370. Carrier also agrees to provide a current certificate of cargo insurance with eShipping as certificate holder. Carrier specifically agrees that all freight tendered to It under this agreement shall be transported on equipment operated only under the authority of the carrier and shall not in any manner sub-contract, transload, broker, or in any other form arrange for the freight to be transported by a third party. If carrier allows any third party to transport or arrange for transport of the shipment herein, carrier will be responsible as if it transported the shipment directly, and further, carrier waives any and all claim to payment related to shipments transported in violation of this provision.

Shipment will be delivered on a non-revenue bill and in no case will freight charges be disclosed to anyone other than eShipping. Carrier consents to pick up shipment, acknowledges and constitutes carrier's acceptance of the terms and conditions outlined herein. Carrier agrees to deliver freight and adhere to transit times requested herein. Delivery, pick-up dates, and hours will not require the carrier to violate hours of service regulations and routing Instructions, if any, are for informational purposes only. Carrier is strictly prohibited from transferring part and / or all of the shipment from one trailer to another without written pre-authorization from eShipping. In the event of delay, carrier will notify in writing of any anticipated service failures 24 hours in advance of the originally expected delivery date. Service failures may be subject to a rate deduction at eShipping discretion. The venue and jurisdiction for any dispute arising from this agreement and/or relationship between and other parties to this agreement, including but not limited to disputes over Individual shipments, shall be brought in the courts serving the State of Missouri. Carrier and eShipping have entered into a Carrier/Broker Agreement, the provisions of that agreement will take priority over these terms to resolve any conflict between the two documents.

Unattended vehicle warranty and locked vehicle warranty, and refrigerated breakdown are endorsements on your cargo policy and are not otherwise specifically excluded. eShipping requires that all carriers servicing Hazardous Material to require an ERG Guide in their truck for duration of shipment.

Carrier agrees that per the provisions of Section 22 of Carrier/Broker Agreement not accept traffic, either directly or indirectly, from any shipper, consignor, consignee of customer of Broker where: (1) the availability from any shipper, consignor, consignee or customer of Broker where: (1) the availability of such traffic first became known to CARRIER as a result of BROKER's efforts; or (2) the traffic of the shipper, consignor, consignee or customer of BROKER was first tendered to CARRIER by BROKER. If CARRIER breaches this Agreement and moves shipments obtained from such parties during the term of this Agreement or for twenty-four (24) months thereafter without utilizing the services of BROKER, CARRIER shall be obligated to pay BROKER, for a period of twenty-four (24) months thereafter, commissions in the amount of thirty-five percent (35%) of the transportation revenue resulting from traffic transported in violation of this provision, and CARRIER shall provide BROKER with all documentation requested by BROKER to verify such transportation revenue. CARRIER shall not utilize BROKER's or the Customer's name or identity in any advertising or promotional communications without written confirmation of BROKER consent. Carrier will not transport or accept freight from or to the shipper or consignee of this shipment for a period of twenty-four (24) months.

Carrier is required to have Driver call for Dispatch, Check-Call at Pick-Up, In-transit Daily, and at destination(s) to confirm deliveries. Driver is required to text or email a photocopy of the POD (Bill of Lading with receiving party's signature) at each delivery location prior to departing the facility.
