## **Schneider Shipment Tender**

https://schneider.com/carriers

Schneider's customers require that carriers provide electronic Shipment status updates via EDI, ELD connectivity through Project44, mobile app tracking, or other electronic method for Shipment status. All loads without successfully accepted electronic tracking will be subject to rejected accessorial payment (including, but not limited to: labor, detention, layover charges, etc.). Receipts will be required for payment verification, even when electronic tracking was successfully accepted.

## **Schneider Shipment Tender**

https://schneider.com/carriers

To : ROYAL3 INC Schneider Shipment ID : SL213766749 Broker Name : Andrew Pieper Phone : 1-920-357-2004

\*\*\* Invoice will not be paid without proper paperwork \*\*\*

The following should be included with your invoice:

Bill Of Lading #, Piece Count, Weight, Consignee Signature, Shipper and Consignee Info, including Postal Code, and Schneider Shipment ID. Shipment ID must be in the upper right hand corner of all shipment bills. Must attach and send in this Schneider Shipment Tender rate contract with invoice.

#### AGREED TO RATE

Line Haul	2077.42	Date : 12/05/2023 12:38
Fuel Surcharge	522.58	Schneider Shipment ID : SL213766749
Total	\$ 2600.00 USD	(Shipment ID must be on the invoice)

#### Additional Rate Information

1. Unless otherwise approved by Schneider, the above rate includes all stop-off charges, fuel surcharges, loading, unloading, etc. This rate cannot be changed, modified, or supplemented by reference to any other rates, rules, classification, schedule, or tariff without Schneider's written permission.

2. Any accessorial not listed above (including, but not limited to, labor, detention, layover charges, etc.) must be pre-approved by Schneider; failure to obtain pre-approval will result in non-payment. Driver detention times charges must be clearly noted on the bill of lading and may only be authorized on electronically tracked Shipments (Schneider's customers require electronic tracking for Shipment updates). Receipts must be provided for any third-party (e.g., lumper) charges. Supporting documentation must be provided within thirty (30) days of services rendered, or reimbursement may be denied.

#### Additional Requirements

1. Schneider does not dispatch the driver. Carrier retains sole control and authority over the driver in all respects including, without limitation, dispatching, routes taken, reference numbers, and service expectations.

2. Carrier is required to adhere to all appointment times set by the Customer (and, if requested by the Customer, ensure that the driver has the necessary technology to provide (and agrees to provide) tracking of the Shipment via mobile app technology).

3. Brokerage of this Shipment by Carrier is prohibited. Any brokerage will void Schneider's obligation to pay Carrier.

4. Carrier's dispatch personnel must notify Schneider immediately of any Shipment related issues that will, or are reasonably likely to, cause Carrier to miss the scheduled pick-up or delivery appointment time. Carrier must contact Schneider (do not call the customer) at 855 476 4786 with any Shipment related concerns.

5. Carrier shall not break the seal, partial the Shipment, or move the Shipment via rail without written consent from Schneider. This will result in non-payment, a claim and/or legal action per the terms of the Master Transportation Agreement.

6. Carrier will require the driver to scale Shipment prior to departing shipper. Carrier is responsible to ensure the Shipment is safe and of legal weight for transit.

7. If Carrier's cargo or automobile insurance policy contains a schedule of covered vehicles or equipment, Carrier will not transport this Shipment using a vehicle and/or equipment that is not listed as scheduled on Carrier's cargo insurance policy, and Carrier's cargo policy must not exclude from coverage any commodities or cargo transported in this Shipment.

8. If this Shipment involves travelling in the State of California, all equipment utilized by Carrier must meet California Air Resources Board Regulations including, without limitation, the Truck and Bus Rule. By accepting this tender, Carrier represents that it's equipment will comply with such requirements.

#### Agreement to be Bound

Carrier has read this entire Shipment tender. By accepting this Shipment Tender and transporting the Shipment (even without a signature on this Shipment Tender), Carrier agrees it is bound to, and agrees to comply with, all statements, special services, work assignments, terms and conditions, and other requirements contained herein. In addition to the terms contained in this Shipment Tender, this Shipment shall be governed by the terms and conditions of the Master Transportation Agreement between Broker and Carrier, which are deemed incorporated herein.
